Proceeds benefit Imagine No Malaria

Every 30 seconds, an innocent child in Africa dies of malaria. We can make a difference. Malaria causes immeasurable suffering across the African continent. Without treatment, malaria's flu-like symptoms can lead to convulsions, organ failure and death. All of this needless suffering is caused by a parasite called Plasmodium, transmitted through the bite of a tiny mosquito.

Imagine No Malaria is a ministry of the people of The United Methodist Church to eliminate death and suffering from malaria in Africa by 2015. Just as the cross is a sign to us of God's love, we are called to be a sign of God's love and commitment to the world.
