

Disability Awareness

Sunday

www.wpaumc.org/disabilityconcerns

*Whoever welcomes one such child in my name
welcomes me. –Matthew 18:5*

Designated offerings collected on **Disability Awareness Sunday** enable churches to be more welcoming, creating environments where outsiders can become insiders. Because of the generosity of United Methodists throughout the Western Pennsylvania Annual Conference, congregations receive grants to help turn barriers into open doors. Churches install elevators, build ramps, and designate accessible parking areas near entrances. The entire **Disability Awareness Sunday** offering collection remains in this conference to support churches financially as they complete accessibility projects.

Each of us brings diverse gifts and graces to the Body of Christ, but we all find strength through our faith. **Disability Awareness Sunday** calls congregations to provide full inclusion and accessibility for people in their church, who, because of disabilities, cannot participate fully in the life of the church. By helping to provide full inclusion and accessibility, we show that we understand the exceptional abilities that these individuals possess, and that we want to see those abilities enrich the life of our congregation.

Please give generously and joyfully to the **Disability Awareness Sunday** offering today to welcome all of God's children into every activity in the faith community. Thank you!
