### Guidelines for Holy Conferencing – What God Expects of Us

*Colossians 3:12-16a,17*

*As God's chosen ones, holy and beloved, clothe yourselves with compassion, kindness, humility, meekness, and patience. Bear with one another and, if anyone has a complaint against another, forgive each other; just as the Lord has forgiven you, so you also must forgive. Above all, clothe yourselves with love, which binds everything together in perfect harmony. And let the peace of Christ rule in your hearts, to which indeed you were called in the one body. And be thankful. Let the word of Christ dwell in you richly...And whatever you do, in word or deed, do everything in the name of the Lord Jesus, giving thanks to God the Father through him.*

- Every person is a child of God. Always speak respectfully. One can disagree without being disagreeable.
- As you patiently listen and observe the behavior of others, be open to the possibility that God can change the views of any or all parties in the discussion.
- Listen patiently before formulating responses.
- Strive to understand the experience out of which others have arrived at their views.
- Be careful in how you express personal offense at differing opinions. Otherwise dialogue may be inhibited.
- Accurately reflect the views of others when speaking. This is especially important when you disagree with that position.
- Avoid using inflammatory words, derogatory names, or an excited and angry voice.
- Avoid making generalizations about individuals and groups. Make your point with specific evidence and examples.
- Make use of facilitators and mediators.
- Remember that people are defined, ultimately, by their relationship with God--not by the flaws we discover, or think we discover, in their views and actions.

We believe Christians can discuss important issues without the acrimonious debate and parliamentary maneuvering that can divide a group into contending factions. We see too many examples of that in secular society. We believe the Holy Spirit leads in all things, especially as we make decisions. We want to avoid making decisions in a fashion that leaves some feeling like winners and others like losers.

We can change the world through honest conversation on matters about which we are passionate.

*We offer our thanks to the participants at The Global Young People's Convocation and Legislative Assembly, sponsored by the Division on Ministries with Young People, through the General Board of Discipleship, held in January, 2007 in Johannesburg, South Africa, for inspiring the framework of these guidelines. They adopted similar guidelines for Christian Conferencing at the convocation. This work is based on guidelines for "Holy Conferencing" that emerged from the United Methodist "Dialogue on Theological Diversity" in February 1998*

## **BASIC PARLIAMENTARY GUIDE**

"Conference" is a term applied uniquely in United Methodism. Having its origin in the concept of a "preacher's meeting." The Annual Conference (e.g. Western Pennsylvania Annual Conference) is the basic organic and functional unit of the Church in a geographical area, now consisting of an equal number of clergy and lay members. But the term also applies to the annual occasion when those members of the Conference convene to do its "work."

The term is also given to the smaller units of structure called Districts and to the local churches or charges; likewise at the regional and national level are the Jurisdictional and General Conferences.

Whatever other function the Conference may perform, it is the legislative and decision making body for its constituency. As a member of it, you need to understand that and be prepared to participate in legislation and the legislative process.

Parliamentary law or procedure is the system of principles and rules governing the transaction of business in deliberative groups. It is designed to clarify and expedite decisions.

### **BASIC PRINCIPLES**

Although many rules of order exist in parliamentary law, they are consistent with and in large measure based upon the following principles:

1. The simplest and most direct method of doing business is the correct and proper procedure.
2. The decision of a majority of those voting governs, except where such decisions contravene By-Laws or violates some other basic rights of a member.
3. Every member of an organization has the right to full and free discussion of every question.
4. All business of an organization must be done by a motion, or, as it is called in its most formal form, a resolution.
5. Other kinds of motions, secondary motions, exist to deal with the main motion or meet some immediate requirement of the organization.

### **TRANSACTION OF BUSINESS**

All business of an organization is initiated and concluded by motions; the discussion on the merits of the idea follow, not precede, the making of a motion. Each motion should be handled in the following manner:

1. Made: Any member previously recognized by the chair may make a motion.
2. Seconded: Without being recognized, any member may second a motion.

3. Stated: The chair should repeat the motion by virtue of which the chair implicitly:

- (a) decides that the motion is in order; and
- (b) delivers the question, as it were, to the membership.

4. Discussed and possibly amended: As to all debatable motions, the maker has the right to speak first; amendments are voted on before the final vote on the motion. Some special motions, like the motion to "table" are not debatable.

5. Vote taken: The chair must indicate the manner of voting, e.g. by voice, show of hands, rising, and if any doubt exists, the effect of the voting for or against the motion.

6. Results announced: The chair should ordinarily be prepared to give the tally of votes cast, particularly if there is a question about outcome.

In our Annual Conference, resolutions and other main motions cannot be considered (come to the "floor") until they have been acted on by one of the legislative sections of the Conference. The legislative section chairperson, not the author of the motion, therefore, moves its adoption.

#### PRECEDENCE

A definite and logical order governs introduction and disposition of the secondary motions which may come before the meeting while some main motion is under consideration. This means that the motion higher on the list must be dealt with first, or to state the obverse, the motion lower on the list must yield or wait its turn for disposition of the higher.

This is called the Order of Precedence of Motions, and is as follows:

1. Fix the time for next meeting
2. Adjourn
3. Recess
4. Question of privilege
5. Lay on the table
6. Vote immediately (Previous Question)
7. Limit Debate
8. Postpone to a definite time
9. Refer to a committee
10. Amend the main motion
11. Postpone indefinitely
12. Main motion

#### FREQUENT SITUATIONS

Amendments: Subject to the following rules, any motion can be amended if it is logically subject to being changed:

1. Amendment must be germane (relevant) to the motion.

2. Amendment may be opposite in the direction or spirit of the motion so long as it does not nullify it.
3. Amendment must be in the form of insertion, elimination, or substitution, and the form must be specified when the amendment is offered.
4. Any number of primary amendments (to the motion) may be made so long as they are made and disposed of one at a time.
5. Any number of secondary amendments (to a primary amendment) may be made so long as they are made and disposed of one at a time.
6. All amendments require a majority vote regardless of the vote required on the motion to which they may apply.

Substitute: In United Methodist circles a custom has developed which has no written origin in any parliamentary text: that a motion to "substitute" a whole sentence, paragraph, or motion is a special kind of secondary motion that "takes precedence" over other amendments and can be applied to almost any other motion.

Asking Questions/Points of Order: If a member is uncertain about the meaning or effect of a particular motion or resolution, the member may ask the chair or another member by simply addressing the chair and saying, "I would like to ask a question," or its equivalent. If the question is related to the procedure, the member would say instead, "I would like to ask a parliamentary question," or say, "Parliamentary inquiry." If the member believes the Rules have been violated in some way, the call should be "Point of Order." These statements are always in order except during the actual process of a vote.

Voting:

1. Motions are voted on either when no one wishes to speak further on the motion, or pursuant to a motion to "vote immediately," traditionally called the "previous question."
2. The motion to vote immediately must be made, seconded, stated and itself voted on and approved by a 2/3 vote before the vote is taken on the otherwise pending motion.
3. A call of "Question" by a member not recognized by the chairperson has no significance whatsoever.
