

It is the commitment of the Leadership to continue to evaluate and monitor programs and resources. We are thankful for the stewardship and sacrificial giving of all congregations in the annual conference. And the conference staff is committed to being present, offering the best, and continuing to pursue excellence in our leadership, connection and resourcing of the local church so that Disciples of Jesus Christ can transform the world around them.

Conclusion

We believe that the Conference is well positioned for ministry in our annual conference based upon current staffing levels. All Conference Staff members are evaluated for their work in connection to the Mission, Vision, and the Core Values established and endorsed by the Connectional Leadership. The Connectional Leadership Table along with the Personnel Team will continue to evaluate the staffing levels as vacancies occur. At this time, there are no plans for adding additional positions outside the current staff positions budgeted and approved by the Annual Conference.

We thank you for the opportunity to serve and to be in ministry with all persons in Western Pennsylvania and look forward to the continued work at making Disciples of Jesus Christ for the Transformation of the World.
