

- *Dismantling Poverty* – Almost all churches are involved in ministry to provide assistance to people in need. Even in the midst of pandemic and economic hardship the churches could not stop sharing with those in need throughout Western PA. We look forward to seeing the impact and fruits of Communities of Transformation in the future.
- *Promoting Abundant Health* – Coordinating Cabinet visited the new home of the Mission Barn in March and helped some projects. VIM and ERT have been very busy with all the disaster relief work. Across the conference many congregations are working to support recovery ministry, prison ministry, and disability ministry.
- *Dismantling Racism* – District Lay Servant Ministry now offers an anti-racism class. We are pleased to see the progress in Warren revitalization, ministries in McKeesport area, new church start in Erie, and collaboration between Christ Bethel Park and John Wesley.

We acknowledge that the WPA Conference will look different in the future, but what we do will be always same – making disciples of Jesus Christ for the transformation of the world. We will continue to be anchored in Jesus Christ for mission and ministry.

Sung S. Chung, Dean of the Cabinet
