Connecting People, Saving Lives, Creating Communities.

Through our Regional Mission Agencies, Western PA United Methodist Churches combine time, skills, funds, and a common vision to combat issues of poverty in our region. The Doorways to Hope at Home offering goes to each of these affiliated faith-based agencies that share Jesus’s transforming love and amplify our United Methodist impact here at home.

**WPA Regional Mission Agencies**

- Erie United Methodist Alliance
- Eastbrook Mission Barn (New Castle/Butler District)
