PREFACE

The Historical Volume *Church Records* Western Pennsylvania Conference of The United Methodist Church was last printed in 2003. In order to keep the *Church Records* current, Janet & Norman C. Young were retained to update the more recent appointments and make necessary corrections as new information became available. Since their death, Naomi Horner has graciously volunteered to continue updating the volume. New information comes from the readers making corrections and suggestions. New information also comes from Naomi’s continued research on the companion volume *Pastoral Records*. The Western Pennsylvania Commission on Archives & History decided to make this revision and update available on these webpages www.wpaumc.org so that the most current information remains accessible and for corrections to continue to refine the document.

This volume has had long history of Revision. Described by Herbert E. Boyd in his 1957 volume on the Erie Methodist Preface as a “compendium...intended primarily as an administrative tool.” He then credits forerunners back to 1898. At that time, this primarily contained Pastoral Records. Grafton T. Reynolds edited for the Pittsburgh Methodist Episcopal Church a similar volume through 1927. W. Guy Smeltzer divided his 1969 revision between chapters on Pastoral Records and Church Records. Raymond M. Bell followed the same chapter division when he added Evangelical United Brethren in 1991. Norman C. Young who had worked on the Methodist Protestant section in the 1969 volume required us to divide the Church Records (2003) and the Pastoral Records (2012) into separate books because of the sheer volume of the material collected. With Naomi Horner’s contributions the Western Pennsylvania Commission on Archives & History is hoping to eventually publish a three-volume set.

1896

Mailing Address: 1801 Leishman Avenue, Arnold, PA 15068-4226
ID: 097240

Location: 1801 Leishman Avenue and Rankin Street in the Borough of Arnold in Westmoreland County, PA.

History: Methodist Episcopal – Pittsburgh Conference. Arnold had been the second ward of the Borough of New Kensington and became a separate municipality in 1896. It was during the same year that the first meetings of the church were held in a school building. There were nine members and the church was served by the New Kensington pastor, Reverend Alexander Earl Husted, until the Conference in the fall of 1896. Then Arnold was made part of the Bethel-Mount Hope Circuit until 1899 when the Church became a Station. The first church building was dedicated June 24, 1900. This was replaced by a new building, dedicated April 5, 1925. The mortgage was paid during the pastorate of Reverend Charles William Oresk 1944-1951. The sanctuary was remodeled during the pastorate of Reverend Howard Weston Jamison 1951-1956; and the basement completely remodeled during the pastorate of Reverend Edwin John Keifer being completed in 1963. The 1968 membership was 780. The membership on January 1, 2002 was 154. Free Thanksgiving and Christmas dinners, hosting the homeless through the Interfaith Hospitality Network, and Vacation Bible School are some of the ongoing ministries of Arnold UMC to the community. In 2016, the Arnold congregation became part of a charge with the nearby communities of Braeburn and New Kensington, and value the relationships they have formed as a charge.

Mailing Address: PO Box 145, Arona, PA 15617-0145

ID: 189418

Location: 2037 Main Street in Arona, Westmoreland County, PA.

History: United Brethren Church – Allegheny Conference. Preaching began in the Arona school house in 1894, by Dr. Samuel Strickler Hough. In the spring of 1900 Reverend J. S. Fulton held a revival meeting in which many were converted and resulted in the organization of a class of 70 charter members. Steps were taken at once and resulted in the building of a brick church at a cost of \$8,000. It was dedicated March 31, 1901 by Dr. William Ross Funk It was made part of the Madison Charge. An Educational unit was dedicated September 16, 1956. In 1970 it was linked with Herminie #2 and Middletown. The membership was 144. The membership on January 1, 2001 was 153. Arona UMC is a small congregation preparing to identify their next steps in ministry and to cast a vision for the future. Struggling with a declining membership base and low finances, they are ready to consider what realistic possibilities are before them. Outreach (like the clothing ministry they support), restructuring their leadership for more effective ministry, and determining the best use of their space will all be part of the conversation under pastoral leadership.

History: Methodist Episcopal – German Central Conference. It became a church in the Pittsburgh Conference at the dissolution of the Central German Conference in September 1933. Reverend Dietrich Worthman and a group of Baldwin Wallace students organized a Sunday school of German speaking Methodists. The Brinton Avenue Presbyterian Church loaned the basement of their church for this purpose. Quickly outgrowing these quarters, a new site was purchased and a commitment to donate the buildings was received from Miss Minnie Muhlemann in memory of Captain Charles Muhlmann. The cornerstone was laid in 1914. It has been until recent years (the 1980s) a Station appointment, and then shared with Braddock: Fourth Street. The membership on January 1, 2002 was 90. Transferred from Pittsburgh East District to the Pittsburgh District in 2004. Transferred to the Greensburg District in 2019.

UNITED BROTHERS – ALLEGHENY CONFERENCE

Mailing Address: PO Box 307, Bradenville, PA 15620-0307

ID: 170658

Location: 5168 Route 982N, on High Street, in the Village of Bradenville, Westmoreland County, PA.

History: United Brethren Church – Allegheny Conference. Preaching services were held in a union church in Saint Clair, now Bradenville, as early as 1851. In 1860 a Union Sunday School was organized and Isaac Pershing, great uncle of General J. J. Pershing, was the Superintendent. A United Brethren congregation used the Union Church from 1851 to 1891 when Reverend J. S. Leshler, pastor of the Greensburg: Otterbein Church, led them in the building of a new church. The new Church was dedicated by Dr. Lazarus W. Stahl on May 25, 1898. This building was greatly improved under the pastorate of Dr. William Algernon Sites at a cost of \$5,000 and was rededicated by Dr. J. S. Fulton April 27, 1927. From this church Reverends Jasper N. Munden, Orion Mickey and Glen Mitchel have entered the ministry. Changes resulted in rededications in 1974. In 1970 the membership was 178 and the membership on January 1, 2003 was 168. Bradenville is a small church dedicated to worship, learning and reaching out to the community. Their traditional service starts at 10:00 a.m. on Sunday. The congregation especially enjoys summer services, June thru September, where they are held out of doors at their pavilion and picnic grounds. In conjunction with the volunteer fire department, they organize a community memorial service held Memorial Day weekend. At Christmas, they provide a service of songs, scriptures and readings to a local senior facility. They provide winter coats, hat and gloves to Maranatha, along with cash assistance to sponsor one Friday evening meal for homeless Pittsburghers. The ladies of the church prepare lunches twice a year for the local Meals on Wheels.

METHODIST EPISCOPAL – PITTSBURGH CONFERENCE

1905

Mailing Address: 4146 Arnold Avenue, Lower Burrell, PA 15068-2256

Greensburg District

ID: 097386

Location: 4146 Arnold Avenue, Lower Burrell, PA 15068, in the Village of Braeburn, four miles north of Arnold, along the Allegheny River in Westmoreland County, PA.

History: Methodist Episcopal – Pittsburgh Conference. The Braeburn Methodist Church was erected in memory of Isabel and R. Parks Arnold. The ground was given to the congregation as a memorial to these people. The Church was established in May 1905 by Reverend John Lane Miller and was known as Memorial Methodist Episcopal Church. The first pastor was Reverend John Lane Miller. Trustees were Jacob Artman, Harry Dougal and Milton Rice. Of interest to individuals delving into the history of the Church is the big bell in the belfry. The bell was used for many years on the McBride farm in Loyalhanna Township, Westmoreland County. The bell was given to the church in 1921 with the understanding that should the congregation have no further use for it, that it would be returned to the McBride Brothers. But to this day the worshippers anticipate the tolling of the big farm bell on Sundays. In 1943 a basement was added to the Church, the work being done by the parishioners, for a much-needed Children’s Department. A well-equipped kitchen was installed at that time. In 1947 a new roof was needed and the outside of the building was covered with insulbrick. A new railing was placed on porch and steps. In 1961 the interior of the Church was completely remodeled. In 1968 the exterior was remodeled. A complete installation of aluminum siding was added and a gold illuminated Cross was erected in front of the steeple. A stone bulletin board was set on the church lawn. The basement entrance was enclosed by new aluminum doors. The sanctuary was carpeted wall to wall in 1969 and new sections of drapes have been added to the Sunday school rooms. The membership in 1968 was 293 and the membership on January 1, 2003 was 112. Braeburn United Methodist Church is a small church that sits in a little part of Lower Burrell, PA known as Braeburn. They are a small congregation of mostly elderly people. When the local steel mill was running well, the church was thriving! At that time, there was a flourishing attendance with Sunday school, children’s choir, and Vacation Bible School, as well as the usual ministries that most churches have. Although their numbers have diminished over the years, they are still about the work of ministry. They have a small, adult choir and are diligent at meeting the ministry needs of the long-term members and adults in their congregation. They are faithful in their worship, their giving, and in their community outreach. The small congregation gives generously every year to the Lower Burrell school district through gift cards valued from \$30 to \$40 so that the school can use them to help families in need to provide for shoes for children. As recently as 2018, the Braeburn UMC gave a \$5,000 scholarship to a deserving high school senior. They regularly create UMCOR health kits and flood buckets. They host an annual community Pancake breakfast fundraiser, and also raise money through bake sales and yard sales.

History: Methodist Episcopal – Pittsburgh Conference. The Society was organized in January 1886, at a meeting in Sager’s Hall, above a grocery store. The meeting was in charge of Reverend Richard Muse, a Local Preacher from the

Greensburg District

Dravo Methodist Church, located two miles north of Buena Vista, and C. E. “Uncle Eddie” Heisterman, a dedicated leader of the church for many years. In the fall of 1886, the Pittsburgh Conference of the Methodist Church granted their petition for a place in the Conference and it became a preaching point on the Dravo Charge. The original Church built and dedicated in 1892. The land for the building was given by Mr. and Mrs. William A. Bell and the balance of the debt on the building at the time of the dedication was paid by them. In appreciation of their generosity and dedicated services, the Church was named Bell Chapel. The Buena Vista Church became a part of the Lowber/Buena Vista Charge in 1922. In 1934 it became a part of the Greenock/Buena Vista Charge and remained so until 1954 when it became a Station. Bell Chapel and McKeesport: Hope were a two-point Charge in 1990. McKeesport: Christy Park and Bell Chapel were together in 2001. The membership on January 1, 2002 was 34. Transferred from Pittsburgh East District in 2004. Buena Vista: Bell Chapel closed November 20, 2010.

History: Methodist – Pittsburgh Conference. The Board of Missions of the Pittsburgh Conference purchased land for a church for this area on December 17, 1958. The first regular worship service was held on April 9, 1961 in the home of Mr. and Mrs. Raymond Kelley. Mr. Kelley was the son of Reverend Elijah Wilson Kelley, a minister in the Pittsburgh Conference. At the Conference in June 1961, Reverend Robert Fox Richards was appointed as the first pastor. He, too, was the son of one of the conference ministers, Reverend Nicholas Fox Richards. The Church was formally chartered on October 8, 1961 with 69 members. For a period of two and one-half years, the congregation met in a chapel in the basement of the Parsonage. On May 10, 1963, the ground was broken for the first unit of the church and it was used for the first time on Sunday, December 22, 1963. On Sunday, May 5, 1968, all indebtedness on that building was cleared and that afternoon, ground was broken for a Christian Educational Building. It was completed in the Summer of 1969. The 1968 membership was 330. The membership on January 1, 2003 was 909. The new building was consecrated in 2006. On January 1, 2017, the Jeannette: First UMC merged with Charter Oak UMC, and December 2017 marked the relaunch of the Jeannette Campus of Charter Oak UMC. Charter Oak Church is one church in multiple locations, and is best known for a clear process for making disciples, leadership development, vibrant kids and student ministries, as well as a heart for reaching all of Westmoreland County with the love and grace of Jesus Christ. Their desire is “to be a people who have a heart for the city in the heart of the city.”

Location: One block south of U.S. 30, Robbins Station Road, at 11600 Parkway Drive, atop Jackson Hill in North Huntingdon Township, Westmoreland County, PA.

History: Methodist Episcopal – Pittsburgh Conference. Organized as a class with Alexander Watson as leader in 1852, meeting in a building known as Clay Pike and Robbins Station Road. Due to rapid growth, a church was soon organized to become part of the Miller Circuit. The first building was erected in 1872 and temporarily given the name MacFarlane Church. In March 1950 the original structure was totally destroyed by fire, just 3 months after dedicating renovations at the church. A new sanctuary was erected and consecrated in 1953. In June of 1964, Circleville Church became a Station charge after many years on a circuit with Miller Chapel. In the face of continued growth, new building plans were begun in 1965, and in December of 1968, consecration services were held for the new Christian Education facilities, narthex, foyer and a remodeled chancel. In 1985 the newly remodeled sanctuary, fellowship hall,

kitchen and entrance were dedicated. The 1968 membership was 479. The membership on January 1, 2003 was 444. Circleville UMC is located just off Route 30 in North Huntingdon between McKeesport and Irwin. The congregation describes itself as relational and friendly with people whose hearts are as big as their love for Jesus. They are active in the local ministerium for community services, have a Prayer Tent at the fireman's street fair, spend one day of "fair week" at the Hospitality House at the Westmoreland County Fair, ring the Bell for Salvation Army, and celebrate Easter Sunrise services with two other neighboring churches. They also partnered with other neighboring churches in offering a community Vacation Bible School. Circleville has an active children and youth ministry, and strong lay-led ministries in the church and community. This church takes prayer seriously and has a weekly prayer meeting as well as traditional prayer chains and prayer updates in worship. They are very caring about the people who are in need of a hand up: words of encouragement are given and practical needs are met through money and "tangible" assistance. In addition to confirmation class and youth events, they have monthly family events, look for opportunities to engage more and more in the life of the congregation and community, and generally enjoy being with each other. They are a fun-loving and Jesus-following congregation.

History: United Methodist – Western Pennsylvania Conference. Faith United Methodist Church in Delmont had existed in some minds for 40 years or more as a necessary part of Christ's Ministry in Delmont. During the year of 1984-1985, The Greensburg District United Methodist Church Council on Ministry began to concretely work toward the fulfillment of this vision. An extensive study of the Delmont area was done utilizing the research talents and experience of Christian Associates of Southwest Pennsylvania, an ecumenical organization of the Pittsburgh Area. It was noted that we had no United Methodist Church between Murrysville to Blairsville on Route 22 and from Greensburg to Vandergrift on Route 66. Delmont was the perfect center or hub for a new church. In March 1985 members of the Murrysville United Methodist Church worked with the churches of the Delmont area on a cooperative Community Survey. It was determined that the fourth largest denominational preference was United Methodist, even though no United Methodist Church currently existed in Delmont. In March 1986, Bishop James Mase Ault assigned Reverend Deryl Kent Larsen to the Delmont area. Arrangements were made with the Delmont Borough Council to rent space in an abandoned school building, which the Borough owned. Reverend Donald James Joiner, Superintendent of the Greensburg District United Methodist Church joined Reverend Larsen to hold the first worship service on Sunday, June 1, 1986. One hundred and ten persons attended the first service. On April 14, 1986 a down payment was made on a parsonage at 38 Buena Vista Drive at the corner of Clover Drive in Delmont. On Palm Sunday

1987, the congregation voted unanimously to purchase the Walter's property on Freeport Street. The congregation moved into the new church sanctuary on Christmas Eve 1989. Consecration services were held on Sunday, January 28, 1990 with Reverend Gerald Allen McCormick, Superintendent of the Greensburg District, Bishop George Willis Bashore, Reverend Donald James Joiner, former Greensburg District Superintendent, Reverend Stephen Elwood Cupcheck a retired Methodist Minister, Rev. Paul Edwin Schradig, Conference Council Director and Reverend Deryl Kent Larson participating in the services. A large fellowship hall and classroom were added later. Preaching services and a Sunday School were started in a School House and later Reverend J. S. Fulton and Dr. William Algernon Sites met with Mr. Pringle and decided to make this an appointment and attach it to the Middletown Charge. Reverend J. H. Lilly was the first pastor and the Class was organized with 18 members. A sectional chapel was placed in 1913 under the pastorate of Reverend Raymond H. Arndt. Under Reverend Alfred J. Orlidge a new site was secured and a building erected on it under Reverend J. F. Cope and dedicated by Dr. J. S. Fulton. This building served until 1929 when it was converted into a parsonage and the new building was erected and dedicated by Dr. Warren S. Wilson and assisted by Dr. Lazarus W. Stahl. History: Methodist Episcopal – Pittsburgh Conference. This congregation resulted from a Methodist revival at New Derry Methodist Episcopal Church in 1867. The first congregation met in an old log structure school house on Norris Street, on the south side of the community of Derry Station. Later the community became known as Derry Borough. The church then was known as the Derry Methodist Episcopal Church. The congregation built a church on the north end of town in 1876. It was remodeled in 1900 and 1913. The church was a part of the New Derry Circuit until 1895 when it became a station charge. The parsonage was built in 1888. The 1968 membership was 609. The membership on January 1, 2003 was 561. In 2014, a new parsonage was built and they became a two-point charge with Hillside Methodist Church. Times have changed for the Derry community and the church. With the decline of the railroad and the closing of the Westinghouse plant, the population of Derry declined, as did church membership. Although the community of Derry has many families and school-aged children, the average age in our congregation is 50 years and older, with very few children. Their hope is to bring families with children back to church with a vital children's ministry. The church is known for community involvement (Derry Railroad Days, Derry Great Garage Sale, Souper Bowl of Caring, etc.), VBS, and delicious fundraising dinners. It also houses the Derry Food Bank. The church and congregation have been and remain a stronghold for the Derry community.

METHODIST EPISCOPAL – PITTSBURGH CONFERENCE

GREENSBURG DISTRICT

1824-1920

Location: On the banks of the Youghiogheny River, along the Pittsburgh and Lake Erie Railroad in Allegheny County, PA.

History: Methodist Episcopal – Pittsburgh Conference. The Dravo church was established in 1824. It dates back to the old Redstone Circuit. A building built in 1864 was destroyed by fire on July 18, 1920. The building burned to the ground but some contents were saved. It was located along the Pittsburgh and Lake Erie railroad tracks and it was a spark from one of the engines which is thought to have started the blaze which ended in the destruction of the edifice. At the time it was established and for years afterwards, the church flourished and was a power in the community. Its membership dwindled and in 1920 the membership was about 50. The church was not rebuilt due to loss of membership.

History: Methodist Episcopal – Pittsburgh Conference. After several attempts to organize a Methodist Church in the community dating from 1892, Reverend Marshall B. Lytle, the pastor at Peter's Creek, was appointed by Bishop Charles H. Fowler to organize a congregation in 1898. The congregation was chartered on October 31, 1899 with 27 members. The congregation worshipped in the German Lutheran Church until 1901. The Lutheran Brethren complained that "The Methodist sing so loud that they are sure to crack the plaster on the walls." The Church met from 1901 to 1902 in a clapboard building built by the members of the church. In June of 1902 the first permanent building was dedicated. It was used until November 1962. On November 5, 1962 the Congregation moved into a new building which is located on the site of the former Methodist Home for the Aged of the Pittsburgh Conference known

History: Evangelical United Brethren – Western Pennsylvania Conference. In November 1893 Reverend James M. Leshar, pastor at Wilmerding, organized the East Pittsburgh Class with four members to which five more were added early in December. Doctor Norris Cameron, of Pitcairn; E. M. Gross, of Greensburg; Reverend James M. Leshner, and Elmer Miller. With the aid of the conference church extension society, the new church was secured August 15, 1894, and a chapel erected and opened for service December 9, 1894. Steps were taken May 14, and the first United Brethren Church of East Pittsburgh was incorporated April 18, 1896 with Dr. A. E. Roose, N. H. Meyers, G. W. Mackey, G. W. Grubbs, and Reverend James M. Leshner as trustees. In 1897 Reverend A. L. Funk became pastor and in four days began the building of a parsonage of six rooms. In 1898 the chapel was greatly improved and the tower was added. John A. Glant presented a bell which was later exchanged for a larger one. On March 8, 1901, the interest-bearing debt was paid in full. In 1900 East Pittsburgh was separated from Wilmerding and made a station. A Sunday School room was built and dedicated December 1, 1901, by Dr. Samuel Webster Keister, Presiding Elder. The next year the auditorium was completed and the whole church was formally dedicated by Dr. William Ross Funk, October 18, 1903. It cost \$15,000. Reverend J. T. Farnsworth and Dwight Moody Spangler entered the ministry from this church. In 1968 the membership was 154 and was on a two-point Charge with Wall. It closed in 1969. Transferred from Pittsburgh East District in 2004.

History: Methodist Episcopal – Baltimore Conference. The church had its beginnings with circuit riders from the Baltimore Conference serving the Pittsburgh Circuit until the Pittsburgh Conference was organized in 1825. The congregation grew out of class meetings held in the home of Samuel Bushfield in 1799. Services were held in homes or public buildings until 1833 when the first church building was constructed. Two years later a Sunday School was organized. Growth necessitated a larger building which was dedicated in 1852. This was remodeled and enlarged in 1885. Construction started on the new building in 1905 with dedication occurring in 1907. This building was remodeled in 1930. A fire destroyed the sanctuary in 1933, and this was immediately rebuilt in early English Gothic. Extensive remodeling and expansion began in 1959 and was completed in 1962. The church became part of the Connellsville Circuit in 1816, Uniontown and Connellsville Circuit in 1840 and the Greensburg Circuit in 1851. The church became a Station in 1855. The Pittsburgh Annual Conference was hosted here in 1868 and 1890. The membership in 1968 was 2129. The membership on January 1, 2003 was 1856. In 2019, three worship services are offered at the First United Methodist Church (FUMC) of Greensburg each week: EKKLESIA- a contemplative, Communion Service of Word and Song on Saturday evening at 7:00 p.m. and traditional services at 8:30 a.m. and 10:45 a.m. on Sunday morning. At FUMC, there are many opportunities for members to expand their faith and share God’s love. There is a strong music program that includes a Chancel Choir, a Hand Bell Choir, the Chancel Chanters, the Children’s Chimes, and the Halo Youth Choir. There is Sunday School for all ages, a children’s “Kids Rock” program on Thursday evenings, and Vacation Bible School in the summer. A youth group meets on Sunday evenings, and participates in a “Summer of Fun” program. Bible classes are led by the Pastor on weekdays, and anyone can participate. Also, the church reaches out directly to help the community through a Food Bank and the SPARK Mission programs. Each year a Crèche Show involves not only the congregation, but the community. History: Methodist Episcopal – Pittsburgh Conference. The first record of the Harrison City church appears in the minutes of the Circleville Charge, April 12, 1856. Later the church was on the Irwin Circuit, the Penn Circuit and the Manor Circuit, where it remained until 1960. This small village church was dropped from the Manor Circuit in 1960, and there was little hope for its future. In May 1960 Dr. William Leroy Hogg met with a group of people from the community who were interested in beginning a new church. He quickly saw the potential of the growing community and its need for a new church. Dr. Hogg had just completed his term as District Superintendent of the McKeesport District and had entered the retired relationship. He asked to be assigned to the Church. Under his leadership ground was broken on May 14, 1961. On April 8, 1962 the new church was consecrated by Rev. Dr. Edward Louis Boetticher, District Superintendent. The new church, the property and the parsonage were valued at \$140,000. By 1964 the membership of the church had grown to 275 members. Having built a fine church Dr. Hogg again went into the retired relationship and Reverend Edward Shirley Hammett was assigned to the Church. The growth of the church has continued at a rapid rate with 580 members reported in the 1968 Journal and the membership on January 1, 2003 was 1369. By 2020, Community UMC has experienced four expansions. The latest was completed in 2019 and included the overhaul of most of the classrooms, expansion of the educational section, and building a new sanctuary and Cafe. Community Church has a Lead Pastor and a Pastor of Community Care and a number of full-time and part-time staff overseeing the expansive ministry opportunities available to the congregation known as “community.” Community Church offers an Acoustic-style worship on Saturday evening and a current service at 10:30 a.m. on Sunday, and as well as a Traditional Service at 8:30 a.m. on Sunday. The church's mission statement is “To Follow Jesus and Lead others to Him.” The community-based church is very active in the greater Penn Township area. A number of organizations meet in the facility and groups and organizations use the Multi-Ministry Room that contains a full basketball court. Upwards Basketball has been one such organization that has successfully utilized the MMR and helped fulfill the church's mission. Scout troops meet at the church, as well as groups like AA. Community Church has a very active and meaningful Youth Group that conducts its own worship service with its own worship band. Some other ministries are the Men's Group, United Methodist Women, and Community Food Bank, (distributing food to over 30 families at Thanksgiving, Christmas, and Easter), Stephen Ministry and a ramp building ministry. The church maintains relationships with churches in Uganda, India, and Puerto Rico through financial support and visits from mission teams. Community Church is actively promoting Bible Studies, at times with more than 20 classes being held in the church building as well as in member homes. The church's online presence is growing significantly. It has always been the goal and mission of Community Church to reach out into the surrounding community to offer service and promote a healthy and Christian Environment.

Location: 310 Oak and Third Streets in the Borough of Irwin in Westmoreland County, PA.

History: Methodist Episcopal – Pittsburgh Conference. Organized in 1860 by Reverend William Page Blackburn, pastor at Circleville, Miller and Harrison City Circuit. Two lots were bought in 1860. A one-room wood church was erected on South East corner of Main and Third Streets in 1861. There were 12 members. The name of the Circuit was changed from Circleville to Irwin Station Circuit, composed of the same four churches in 1863. In 1870 Irwin Station became a separate Charge. The first Parsonage was built adjoining on Third Street in 1870. It was incorporated as “Irwin Station Methodist Episcopal Church” on July 10, 1870. A brick church built in 1889 replaced the outgrown wooden church. Andrew Carnegie gave a Pipe Organ in 1901. The word “Station” was dropped from the name in 1911. Lots were purchased at Walnut and Fifth Streets in 1919, for a buff brick parsonage which was occupied in 1922. Lots were purchased at Third and Oak Streets in 1926 for a new stone church. The Cornerstone was laid on June 10, 1928 and it was occupied on April 7, 1929 with educational unit, parish hall, parlor, offices and tower. A long financial struggle followed. In 1942 the old church property was sold and in 1947 all the debts were cleared. A Sanctuary Savings Account was instituted in 1946 and an architect was employed in 1955. The new sanctuary seats 750 and was consecrated on October 5, 1958. Sanctuary indebtedness was cleared in October 1965. Lots were purchased on the south and west sides for parking space and extensive remodeling and renovation in 1965-1966. The membership in 1968 was 1723. The membership on January 1, 2003 was 981.

The leadership for the erection of the new building was given to Reverend Frank Thomas James. Ground was broken for the new building on March 15, 1964, and it was first used in March 1965. Three capital funds drives under the leadership of Dr. Moorman Parker provided for the financial undertaking of the new facilities. History: United Brethren – Allegheny Conference. The Church dates to 1908, but services were held as early as 1891. In 1908 Reverend John Watson was sent to Jeannette to investigate it with a view of planting a mission there. He was to visit, tabulate his findings and report to conference, which body would determine the future action. A Class was organized October 4, 1904 with 17 Charter members. Services were held in the German Lutheran Church, then in the 200 block of North Second Street. The new church was built in 1912. It was dedicated by Dr. William Ross Funk who was assisted by Dr. S. J. Fulton on November 9, 1912. The Church cost \$10,000. This church received a missionary appropriation from the beginning until 1930 when it became self supporting. Extensive repairs were made in 1952. The church became the Gethsemane United Methodist Church in 1968 at the merger of the United Brethren and Methodist Churches. In 1970 it was linked with Claridge. The membership then was 296 members. The membership on January 1, 2003 was 140. Built in 1901, the former Evangelical United Brethren church, Gethsemane, stands as a beacon of hope in a community that has strengths despite challenges over the years. The "Jesus kneeling" stained glass window in the sanctuary is a constant reminder to the people of the church of the importance of prayer and placing their faith in Jesus. The congregation sees itself as a visible presence of hope and possibility in the community. The congregation is small, family friendly and strong in outreach and building relationships within the community and with other local churches.

Location: 440 Main Street and Ridge Avenue in the Borough of Latrobe, in Westmoreland County, PA.

History: Methodist Episcopal – Pittsburgh Conference. This church began with seven members in the home of William Williams about 1850. The frame building was erected in 1853 on a lot donated by Thomas J. Barnes and was replaced by a two-story brick edifice in 1855-1856 on Depot Street. Forty members attended the dedication service in 1856 conducted by Bishop Matthew Simpson. In 1886 Richard and Rebecca Brinker offered the congregation the tract of land on which the new church was built at the corner of Ridge Avenue and Main Street. The cornerstone ceremonies, presided over by Reverend Jesse Franklin Core, Presiding Elder of the Blairsville District and by the pastor Reverend Benjamin Fell Beazell, were held on July 4, 1886. It was dedicated in 1887. The house next door was offered as a parsonage and after extensive renovation became the home of the minister. In 1912 the church property was valued at \$30,000 and the church membership was 750. In 1928 an educational unit was constructed with dedication services conducted by Bishop Berry. Reverend Albert Clarence Saxman was the minister during the construction period. The original sanctuary was completely renovated in 1952 at a cost of \$120,000. In 1958-1959 under the ministry of Reverend Howard Weston Jamison, a second education building was constructed at a cost of \$200,000. This building was dedicated by Bishop Lloyd Christ Wicke. The membership in 1968 was 1281. The membership on January 1, 2003 was 987. New Derry closed in 2012 and merged with Latrobe. Latrobe UMC Ministries considers itself a family, and the family comes together through practical Biblical preaching, heartfelt worship, and loving friendships. They believe that each one has the chance to share God's love every day, and individuals need to stay in His word in order to live His word. A strong presence in the community, LUMC offers open community nights each week and weekly summer community food ministry events in the church parking lot. At an annual carnival before the start of the school year, the church gives out book bags filled with school supplies. LUMC Ministries serves two campuses: One in Latrobe and the other in New Derry, both approximately 40 miles southeast of Pittsburgh. Ministry with children is a significant part of the church, which offers fun-filled age-appropriate activities designed for children. Those who are

History: United Brethren Church – Allegheny Conference. At a meeting of the Allegheny Conference, which convened in 1902, Reverend E. F. Wriggle was assigned to the New Florence Charge with instructions to investigate Latrobe as a possible opening and if justified to establish a preaching place there. In October the pastor and Reverend Samuel Webster Keister, Presiding Elder, canvassed the community and found the entire fifth ward to be without a church. This Church was known Oakville or South Latrobe. It was thought that this part of the town was the most-promising as well as the most-needy. It was not until 1903 that any meetings were held. The first service was held April 12, 1903 in the school house. At the Conference of 1903, Latrobe, Kingston and Bradenville were made to constitute the Latrobe Mission. The church was built and dedicated January 29, 1905, by Bishop J. S. Mills at a cost of \$10,656.86. The church has sent out as pastors: Charles Yates, Paul Frank Mickey, C. H. Rhodes and John W. Hudoc (South East Ohio Conference). Extensive changes were made, resulting in a rededication March 10, 1963. At the merger in 1970 there were 629 members. The membership on January 1, 2003 was 600. In 2020, Bethany UMC is a warm, family-friendly traditional congregation in the city of Latrobe, PA. With three worship services, there is a

convenient opportunity for people to worship together. Bethany boasts a strong children and youth ministry. The afterschool club is especially designed to build relationships, study God's Word, develop Christian values, and grow in healthy self-esteem for both children and youth. Bethany's strengths are seen in their nurture of members and in community engagement in the Latrobe area. Activities like a congregational care team, visitation, prayer focuses, carnivals and science shows are some of what makes Bethany a vital congregation. They have a "dinner take-out" once a month, Christmas and Easter programs, and special events for first responders. Multiple Bible Studies, nursing home visits, and a strong music program round out their ministry.

History: Methodist Episcopal – Pittsburgh Conference. The first Methodist service was held in 1833. The preacher was Reverend John Somerville, pastor of the Kittanning Circuit. The first Class was held in 1839 by Reverend Thomas S. McGrath of the Kittanning Circuit. The first church was built in 1845. It was a brick structure. This was replaced in 1866 by a wooden building. The new church was built in 1888. The new Education Building was built in 1961. For a period of 48 years this church was on various circuits, as follows: Kittanning 1833-1844, Murrysville 1844-1846, New Salem 1846-1847, Kittanning 1847-1850, Elderton 1850-1851, Murrysville 1851-1853, Elderton 1853-1860, Apollo 1860-1861, Burrell and Apollo Circuit 1861-1868; Apollo 1868-1869; Leechburg Circuit 1869-1877; Apollo and Leechburg 1877-1882. This church became a Station in 1882. The 1968 membership was 664. The membership on January 1, 2003 was 505. Leechburg: First UMC is the most northern church in the Greensburg District. The church's mission is "Growing, Loving and Serving in Christ's Name." Considered a "Praying Church," it is known for joyful worship music, singing God's praises in and out of the church building. The Sunday morning worship service is one where all people can discover their faith, experience the joy of Christ's love, and grow in their Christian beliefs. During the pandemic, the service has been available online as well as on radio in parking areas. The church offers Sunday school for all ages, and a weekly prayer group meeting. They strive to meet people where they are to share the love of Christ through outreach and involvement in community activities. The building hosts Scouts, the Local Food Bank, Lions and an Al-Anon group. The social hall, kitchen and other spaces are made available for use by community members, other churches and organizations for funeral dinners, family events, and educational activities. The congregation is blessed by having two high-rise communities within a block of the church and the Leechburg Area School District in their "backyard," as well as three other churches on their street, which is one block from the downtown area. This enriches opportunities for outreach and involvement with all age groups as well as partnership with local businesses, the school, and the Ministerium.

Location: 107 South Market and Main Streets “on the Diamond” in the Borough of Ligonier in Westmoreland County, PA.

History: Methodist Episcopal – Baltimore Conference. This church was actually established by John Wesley in a personal letter from Bristol, England, on September 19, 1788. First services were held at the home of Jacob Shaw and later in the home of Robert M. Roberts, father of Reverend Robert Richford Roberts, the sixth bishop of the Methodist Episcopal Church. The first frame building was erected in 1829; then a brick building in 1857; and the new main structure in 1902. Expansion in 1960-1967, included 3 phases: Remodeling of chancel, new educational plant and office facilities and new parsonage. They celebrated 180th Anniversary in 1969, entirely free of debt. Following the formation of the new United Methodist Church in 1968 the Ligonier Methodist Church voted to become known as the Heritage United Methodist Church. The membership in 1968 was 677. The membership on January 1, 2003 was 693. Heritage United Methodist Church is a Christ-centered fellowship of believers who seek to glorify God through the study of His Word, active service, meaningful worship, living witness and loving outreach. Our mission is to make disciples of Jesus Christ. In 2019, the Community Building of Heritage UMC is home to many groups and activities

that allow the Ligonier area to thrive. Meals-on-Wheels prepares meals in the kitchen for shut-ins, regardless of church affiliation. On many evenings, Cub Scouts and Girl Scouts run through the halls heading to troop meetings. The Westmoreland County Office of Vocational Rehabilitation assists individuals with disabilities to prepare for and obtain employment. Three chapters of Alcoholics Anonymous meet here. The Business and Professional Women's Club, Serrv Shop (Sales Exchange for Refugee Rehabilitation and Vocation), The Blackburn Center (for victims of domestic violence) and Justice Works (a Westmoreland County agency resource for families in distress) also use the building on a regular basis. Heritage UMC is in the final engineering stage of a four-year renovation project to become ADA compliant and concurrently focusing on energy efficiency and safety. When the project is completed, the congregation anticipates growth within the church, as well as an increase in community involvement. The church has a very active and growing youth program, a strong focus on Outreach/Missions, involvement with The Association of Churches, and a growing and enthusiastic music ministry. A Saturday-evening contemporary service and two traditional Sunday morning services are offered, along with Sunday School classes for all age groups.

Location: 187 White Church Road, Greensburg, PA 15601, in the Village of Luxor, four miles east of Greensburg in Hempfield Township, Westmoreland County, PA.

History: Methodist Episcopal – Pittsburgh Conference. In March 1892, on land donated by John Lentz, Sr. ground was broken for this church, with the men of the community digging the foundation. Existing charter members believed that the contract for erection was given to Dave Wentling of Greensburg about the same time Harry Wible was engaged in constructing most of the houses that now are a part of Luxor. The work progressed rapidly under the inspiring supervision of the Reverend John McGuire and on June 9, 1892 the cornerstone was laid by Reverend Sherman W. McCorkle. However, it was a year until the church was completed. The dedication was held June 8, 1893. During the year 1923 four Sunday School class rooms were added under the leadership of Reverend Lester Allen White. The rededication message was delivered by Judge Snyder of Greensburg, and the mortgage was burned. It has been on various Circuits and in 1943 became a part of the New Alexandria-Luxor charge. In 1989 it was placed with Greensburg: Trinity and in 1994 it became a separate appointment. At the union in 1968, the membership was 104. The membership on January 1, 2002 was 170.

History: Methodist Episcopal – Pittsburgh Conference. The Church grew out of Class Meetings held in the home of John Pershing, near Lycippus, before 1833. In 1872 William Galloway was leader of the class which met regularly on Sunday morning. The congregation at first used the United Brethren Church for services, but when these quarters were no longer available, a church was erected in 1897. Part of the Pleasant Unity Circuit until 1930 when it was separated and no pastor was assigned until 1947, when it was again aligned with Pleasant Unity. The membership in 1968 at merger was 52. The Church was discontinued in 1998, and the records were said to have gone to the Western PA Conference Archives.

The Lycippus: Calvary United Methodist Church is a small congregation that attempts to make a big impact on the world around them. They search for ways to reach out and help others. They love to come together as a community with regular dinners and events to gather as a church. Through these and regular worship services they are constantly deepening their relationships with each other, in addition to their relationship with their Lord and Savior.

History: Methodist Episcopal – Pittsburgh Conference. Organized as a Society on the West Newton Circuit in 1842, meeting in the local school house. In 1842 a lot was bought for \$75.00 and a red brick church was built. It was used until 1897 when it was razed and sold to build the new frame structure. Two lots were purchased for the new church and parsonage for a total of \$715.00. The new church was dedicated on Sunday, September 27, 1897. A parsonage was erected during the pastorate of Reverend Jesse Erastus Billings 1907-1910. Through the years the gas heat was installed, an organ installed and aluminum siding put on the church and parsonage. In 1963 the adjoining lot was bought, the building razed and the lot made into a parking lot. In 1967 substantial improvements were made to the church and property. For several years it has been on a two-point charge with New Madison. In 1968 the membership was 235. The membership on January 1, 2003 was 271.

History: Methodist Episcopal – Pittsburgh Conference. Originated in the Fall of 1871 by invitation to the pastor of the Penn-Harrison City Charge to preach in the school house at Manor and on January 20, 1872 the Fourth Quarterly Conference for the Charge was held at Manor. Thus began an association of these three churches (interrupted for only one year 1893-94, when the emerging Church at Pitcairn replaced Penn on the Charge), that lasted until the separation of Penn in 1952 and Harrison City in 1960, thus establishing Station status for all three churches. Manor's first Church building of one room was dedicated in November 1873; the new two-story building was dedicated in April 1923. In 1965 an adjacent eight-room house was purchased to provide additional educational facilities. Through the years Manor has contributed at least three young men to the Christian ministry, also one Conference Youth Fellowship President. Her ministers have assisted in the establishment of several other churches, most notably Jeannette and Pitcairn. In 1968 the membership was 254. The membership on January 1, 2003 was 186. First United Methodist Church of Manor participates in a five-church ministerium which encourages people in the community to join together for Community Vacation Bible School, Lenten services, Palm Sunday and Christmas Eve Cantatas, and occasional joint services during Lent and Thanksgiving. They also offer community Trunk or Treat on Halloween Night. Monthly, they sponsor a Senior Citizen gathering on the first Wednesday and a Food Pantry, which is part of the Westmoreland County Food Bank, on the second Tuesday of the month. Manor: First provides financial support for local organizations, mission trips, fire and catastrophic events, in addition to paying their apportionments in full. More importantly, they are a Bible-based, older congregation which provides Bible Study on Wednesday evenings, Adult and Youth Sunday School on Sunday mornings and movie-and-game nights alternating monthly on the third Friday. They are a warm, welcoming congregation, a little church with a big heart, who is gifted with much musical talent, strong lay leadership, and congregational participation.

History: Methodist Episcopal – Pittsburgh Conference. Grew from a Sunday School Class started by David Parker, Sr. and William Gleason in April 1889, under the ministry of Reverend Ernest Bell. A new plan of building lots known as the Beulah Park Plan had been laid out in a part of what was then Versailles Borough. The closest church was in McKeesport and Mr. Parker and Mr Gleason realized the necessity of a local church as a meeting place for the young people. Forty children met and worshipped for the first time in an unfurnished building. The meeting place soon became inadequate to accommodate numbers of children and adults that attended services each Sunday. The Charter date was on September 24, 1889 and the first church building was dedicated on October 12, 1889. It was built on ground donated by William G. Gleason and F. S. Gleason. From 1889-1904 the church was on a circuit with Christy Park and Elrod (now Versailles) Methodist Episcopal Churches. It became a station appointment in 1904. The church was extensively remodeled in 1927, 1937 and 1950. In 1941 and educational wing was added: and a new sanctuary and other educational facilities were erected and consecrated on June 25, 1961 under the ministry of Reverend William George Morris. 1920-2020

Mailing Address:

ID: 969138

Location: 1915 Bailie Avenue in the former Ballentyne Methodist Church in the City of McKeesport, Allegheny County, PA.

History: Methodist Episcopal – Washington Conference – Central Jurisdiction. In 1920 Bishop W. F. McDowell called Reverend Dr. C. Y. Trigg, pastor of Warren Church in Pittsburgh; Reverend J. E. Dotson, pastor of John Wesley Church in Washington, PA. and Dr. W. A. C. Hughes, Secretary of the Bureau of Negro work to meet him in Pittsburgh to devise plans for the better spiritual nurture of Negro Methodists moving to Allegheny County. A new Pittsburgh District of the Washington District was created with Dr. C. Y. Trigg as Superintendent. Dr. Trigg located a group of Methodists without spiritual care in McKeesport and on December 2, 1920 organized seventeen persons into the Calvary Methodist Episcopal Church. The meeting was held in the home of Mr. and Mrs. George Salley at 1807 River Street. The newly organized group secured the use of the basement of the Pentecostal Church at Locust Street where they worshipped during the winter. During 1921 the group raised \$2,000, which, together with a donation of \$4,500 from the Board of Home Missions and Church Extension, was used to purchase a church building at 822 Jenny Lind Street on November 4, 1921. This building was condemned in October 1968 and in the summer of 1969 the congregation moved into the former Ballentyne building. At the dissolving of the Washington Conference of the Central Jurisdiction in 1964 this congregation and pastor became members of the Western Pennsylvania Conference. The membership on January 1, 2002 was 194. Transferred from Pittsburgh East District in 2004. On October 12, 2020, a merger document signed between the McKeesport: Calvary and McKeesport: First congregations to become the Calvary-First Church was the first step in the formation of the McKeesport Area Shared Ministry with campus names for the [six] congregations [on the McKeesport Charge]. The name shall be the Calvary and First United Methodist Churches (campuses) until the adoption of a legal name change for the McKeesport Area Shared Ministry. Pittsburgh: Calvary was considered closed June 30, 2020.

History: Methodist Episcopal – Pittsburgh Conference. A few of the early residents of the farm community which is now Christy Park decided to accept an offer from J. B. Christy, trustee of the land company, to give two lots to any person or group of persons who would purchase two additional lots on which to build a church. In the fall of 1887, the ground for the church building was broken and in 1888 the structure was dedicated as the Christy Park Methodist Episcopal Church. The Reverend James Harry Null was assigned as pastor of the Versailles and Christy Park Churches in 1888, thus beginning regular services. In 1923 the Christy Park Church became a Station. Additions include a parsonage, built in 1915, an educational unit and remodeled sanctuary in 1958. Christy Park became a two-point Charge with Buena Vista: Bell Chapel on January 1, 2001. History: Methodist Episcopal – Pittsburgh Conference. A Class was organized by Reverend Jacob Keiss Miller on the Braddocksfield Mission Circuit in 1832. In 1840 Ephraim Shannon and John Walker held prayer meetings and a class of twelve members were related to the Miller Circuit. First building was erected at Market and Fifth Avenue in 1843. In 1846 a larger two-story brick structure was erected on the same site. McKeesport first appears in the lists of appointments in 1847. A larger building was constructed in 1876 at the corner of Walnut and Penney Street. Reverend William Brown Watkins was the pastor. In the early morning of July 11, 1924 this high steepled church burned down. Congregation worship in First Baptist Church and then the YMCA. On July 28, 1924 approval was given to purchase the YMCA athletic field and to build a new structure. The corner stone was laid October 4, 1925. This stone, gothic structure was opened for services September 12, 1926 and dedicated November 21, 1926. Reverend Lemon Dorsey Spaugy was pastor at the time. During the depression years heavy indebtedness placed extra burdens on the people. Dr. Thomas R. Courtice served ably as the pastor and leader from 1931-1940. Under the long effective pastorate of Reverend Dr. Joseph Dushane Piper from 1940-1959 the mortgage was paid and the membership reached in the year of 1958 a total of 1872. In 1950 bus transportation to and from the Green Valley area won some 65 families. They in turn desired to establish their own Church. On May 24, 1964 a charter was granted to the Green Valley Methodist (Community) Church with 125 members transferring from First Church. A similar release of First Church members was made to Central Highland Methodist Church and also to the Coulter Methodist Church within recent years. When the Coursin Street Church of McKeesport faced re-development plans projected by the city of McKeesport, the building was sold and the congregation carried on its work for six months in First Church. It finally voted to merge with Ballantyne Church, McKeesport in December 1965. When the building of Calvary Church, McKeesport was condemned in June 1967 the congregation carried on its work in First Church through August 1968. Renovation of the Chapel of the church took place in 1965. First Church has hosted the meeting of the Pittsburgh Annual Conference several times. McKeesport: First became a two-point Charge with McKeesport: Kephart in 2003. The membership on January 1, 2003 was 352. Transferred from Pittsburgh East District in 2004. METHODIST EPISCOPAL – EASTERN SWEDISH CONFERENCE

GREENSBURG DISTRICT

1888-1983

Location: Jenny Lind and Soles Streets in the City of McKeesport, Allegheny County, PA.

History: Methodist Episcopal – Eastern Swedish Conference. Swedish Methodism was represented in the city of McKeesport during the last few months of 1886 and the early part of 1887 by eleven Swedes. The church was formerly organized on May 14, 1887. Services were held in a rented hall until 1889 when the first house of worship was built on Locust Street. In 1903 it was sold and an edifice at the corner of Jenny Lind and Soles Streets was built in 1905. The parsonage was built on adjoining property on Soles Street in 1930. The language problem was very real to the older members. The use of Swedish language was terminated upon the transfer of the Church to the Pittsburgh Conference in 1939. This church is still known for the Swedish customs, especially its traditional cooking. In 1962, a home, beside the church, was purchased to be used as an educational building. It merged with McKeesport: Shoemaker Church and the name changed to Hope United Methodist Church in 1983. Transferred from Pittsburgh East District in 2004.

Reverend Henry Shoemaker gave a gift of \$500 and the name was changed to Shoemaker Memorial. The Church was made a mission by the conference of 1899 and Reverend T. M. Sharp was made pastor. He found only 13 active members, but under his leadership the church prospered and the new church was dedicated on May 13, 1900. Mr. Carnegie later presented the church with a fine reed organ. The mortgage was burned August 24, 1904. Under the pastorate of Reverend J. J. Funk, a new structure was built, the basement finished and services held May 9, 1926. Reverend John Franklin Strayer led the church in an effort to finish the building which was completed and dedicated November 1, 1930. The church was valued at \$80,000 in 1931. In 1970 there were 210 members. In 1983 this Church merged with Jenny Lind Methodist Church and became Hope United Methodist Church. Transferred from Pittsburgh East District in 2004.

Sunday School rooms were added in 1927 under the pastorate of Reverend J. H. Weaver. It was a part of the Lycippus Charge, then the Bradenville Charge, and in 1914 was made part of the Arona Charge. A basement was added in 1954. In 1970 it was linked with Arona and Herminie #2. The membership at merger in 1970 was 144. The membership on January 1, 2003 was 185. Built in 1896, with a log building prior to that, this former Evangelical United Brethren congregation sees itself as a relational community of believers. They work together with other churches and support a number of outreach efforts, including a local food pantry. With Bible studies, adult Sunday School classes, and a strong United Methodist Men's group, this small congregation has a big heart for Jesus.

History: Methodist Episcopal – Pittsburgh Conference. During the winter of 1837-1838 members of the Methodist Church at Greenock held prayer meetings along the turnpike. George Miller donated a tract of land for a Church and cemetery. The first frame church building was probably erected in 1838. The brick building was constructed on a tract of land purchased from Mr. and Mrs. Alexander Pearson in 1867. At that time, it was part of a charge that included the Circleville, Harrison City and Irwin Churches. From 1878 until 1964 Miller was a part of a two-point charge with Circleville. In 1964 it became a Station. Improvements were made to the Church building in 1897; then in 1941 the full basement was excavated. Other renovations were carried out in 1965, and a new parsonage was purchased in 1966. Miller and East McKeesport were a two-point Charge 2002-2003, then Miller was placed with Turtle Creek: Electric Heights. The membership on January 1, 2002 was 192. In 2004, Miller UMC was transferred from the Pittsburgh East District to the Greensburg District. Miller UMC is located along the historic Lincoln Highway (U.S. Route 30) on the border of Allegheny and Westmoreland counties. The church building almost seems out of place nestled among the many businesses that line this busy thoroughfare. However, Miller is located right where God wants it to be. The congregation is both warm and friendly as one would expect with a quaint, country-church look and feel. The country atmosphere also translates into some great cooking and baking as the congregation continues a long tradition preparing their famous roast beef dinner every spring and fall. Each Sunday, worship service commences by reciting the mission statement that begins with: “Making disciples of Jesus Christ...” This is what generations of congregations have been doing at Miller for almost 200 years, being founded in 1837. With the Lord’s grace, Miller will continue making Christian disciples for another 200 years and beyond.

History: Methodist – Pittsburgh Conference. Monroeville is a new fast-growing community, located east of Pittsburgh where the Pennsylvania Turnpike and the Parkway East intersect. The Pittsburgh Conference, realizing the population explosion in this area purchased 2.7 acres of land on July 3, 1954, on which to build a church. In October 1954, Robert Willis Geisinger, a student minister was assigned to the church and worship services were held and a Sunday school was organized. On February 13, 1955, the Service of Church Constitution was held. Bishop Lloyd Christ Wicke presided. For three years the congregation met in a little building which measured 13 by 29 feet. Church School was held in an old farm house located on the property. On December 20, 1957, the congregation moved into its new church buildings-the first of four proposed units. A second unit was consecrated on February 12, 1966, with Dr. W. Sproule Boyd, District Superintendent, presiding. The two units have a value of \$500,000 and the membership is rapidly growing with two ordained ministers and the church school sessions and two worship services being conducted simultaneously on Sunday mornings. The membership on January 1, 2003 was 1061. Transferred from Pittsburgh East District in 2004. Monroeville United Methodist Church (MUM) sits between an established neighborhood and the Monroeville strip malls in the eastern suburbs of Pittsburgh. It strives to be a community of faith where all of God's children are welcomed. For more than 50 years MUM Preschool has provided the youngest members of Pittsburgh's eastern suburban families with exceptional opportunities for learning and social development. The church also supports the Sunrise School, a local school for children with special needs. MUM has been a long-term partner with East End Cooperative Ministries, including preparing meals to the men's homeless shelter in East Liberty. Regular support is also provided to the Garden City UMC Food Pantry. Worship at MUM includes a variety of music ministries as well as a monthly Taize service. Abundant opportunities for life-long learning include the Adult Seekers class (a Reconciling Ministry). The Holy Hands quilters group supplies lovingly made quilts to those in the community requiring long-term care. In these ministries, and in many others, MUM is committed to the full participation of all people.

Location: 3916 Old William Penn Highway, Route 22, in the Town of Murrysville, eight miles east of the Pittsburgh City limits in Westmoreland County, PA.

History: Methodist Episcopal – Pittsburgh Conference. An outgrowth of the Braddock's Field Mission in 1832, with Reverend Jacob Keiss Miller as the missionary, this Mission embraced the territory between the Monongahela and the Allegheny Rivers for fifteen or twenty miles out from Pittsburgh. Reverend Charles Elliott and Reverend Wesley Browning, the preachers on the Pittsburgh Station in 1831, made a preliminary preaching tour of the region in 1831 and laid out the beginning of the Mission Circuit. The preaching place located in Murrysville was in the home of General Jeremiah Murry. In 1832 land for a church was purchased from General Murry and on it the first church building was erected in 1836. The second house of worship was built in 1868. In 1912 a parsonage was built in Murrysville for the Circuit. In 1912, under the leadership of Reverend Everett L. Pierce a new lot was purchased and in 1913 the new church building was dedicated. This structure was enlarged in 1958 during the ministry of Reverend Parker Wesley Large. The church was on different circuits, the last being with Sardis until 1959 when it became a Station appointment. A weekday kindergarten opened in 1960, which grew to become the First United Methodist Preschool, a vital part of First UMC's current ministry. An educational unit was added in 1965. In 2000 the Church bought the old Post Office property next to the church and converted it into meeting rooms for educational and social purposes. The 1968 membership was 840. The membership on January 1, 2003 was 826. What started as a small community church servicing a rural location has grown over the years to become a large church in a suburban neighborhood. During that time, the congregation was known as a large church with the feel of a small church due to its friendliness, as well as a common root: Many members worked for the same employer, Westinghouse. As the culture and employment profile of the area changed, First UMC Murrysville morphed as well. Now a small-to-mid-sized church within the Conference, they have become a praying church focused on outreach. With a solid core of small groups, the congregation is dedicated to reaching out to the neighborhood, as well as United States and international causes. The highly educated congregation has encouraged leadership growth both spiritually and managerially. First UMC Murrysville is a friendly, inviting congregation that is fiscally conservative, and socially more centrist. Their goal is making disciples, and their theology is based on biblical foundations. First UMC Murrysville has a strong preschool that has enabled them to nurture young families, as they teach biblical truths. Geographically in the center of town, the church takes part in community events such as the harvest parade, food drives, community days, Christmas tree lighting, Stop Hunger Now, and the community library day of reading.

History: Methodist Episcopal – Pittsburgh Conference. It has been impossible to discover when or how Methodism was first brought to New Alexandria, but we do know it was before 1876, when the new building was dedicated. Previous to this (from 1848) services were held in the little old brick church, which is still standing on Gay Street and is now occupied as a dwelling. New Alexandria was on the Saltsburg Circuit 1881-1886; on the Livermore Circuit 1894-1902; then with the Jamison Circuit 1903-1917 or 1918, since then it had been independent until 1943 when it became the New Alexandria/Luxor Charge. In 1989 it became a station appointment until 1995 when it became the New Alexandria/Saltsburg Charge. The membership at union in 1968 was 196. The membership on January 1, 2003 was 167. Transferred from Greensburg District in 2004. New Alexandria UMC is very mission-minded and is dedicated to supporting community needs and outreach programs. Over the years, they have maintained a focus on

ministering to children; the congregation also includes gifted musicians who share their talents through special music and community choir performances. The church is alive and well, seeking to grow in their faith and in fellowship with one another. In 2019, New Alexandria UMC was yoked with Saltsburg UMC in a two-point charge.

History: Methodist Episcopal – Pittsburgh Conference. Methodism began in the New Kensington area with the organization of the Bethel Church in 1843; Mount Hope (Braeburn Heights) in 1859; and Parnassus in 1869. In Parnassus, services were held in the brick Pennsylvania Railroad Station, which also served as Parnassus Academy during the week. The first pulpit was a bee hive. In 1869 Bishop Ames of the Pittsburgh Conference appointed Reverend John T. Riley to the Bethel Circuit, which also included the Parnassus congregation. That year a frame building 35 x 50 was built and was first used the same year on Thanksgiving Day. Parnassus became a separate charge in 1886. In 1891, the huge farm adjoining the town of Parnassus was sold in lots, and the subsequent community was called “Kensington.” Because the Methodists had outgrown their lot in Parnassus, they bought a lot valued at \$2,000 and construction soon began on a \$1500 wooden church building. The membership of the Methodist church really flourished and in 1898 the original brick church was built. The Methodists were hailed as the “First Church” in Kensington with a seating capacity (including a balcony) for 500 people. The building cost \$12,000, and the membership was 400. Improvements were made in 1930 which enlarged the building. An educational unit was added and complete interior remodeling began in 1961. The “new” church was dedicated June 1966. The membership in 1968 was 1129. The membership on January 1, 2001 was 328. Over the years of ministry, the people of New Kensington responded to needs and opportunities of their community, and the world. The congregation has always held a spirit of cooperation and “unparalleled Christian unity” as they met challenges and considered opportunities for ministries. Music ministry, after-school religious classes, various Sunday School classes, and groups met weekly; and community groups were invited and welcomed into the life of the church. In addition, ministry to local prisoners in rehabilitation was initiated, local missions were supported, and the church hosted a community food bank. Although the challenges to the current congregation seem daunting, the attitude of the congregation remains strong, positive and ready to join together to continue the faith legacy they inherited 150 years ago!

History: Methodist Episcopal – Pittsburgh Conference. On April 9, 1878 an assembly of Methodist and Presbyterian citizens of Coulterville took action to purchase Coulterville School House. They remodeled it and called it the Coulterville Union Chapel. In order to obtain an appointed minister, on July 17, 1894, the Methodists purchased full interest in the Chapel. Reverend David Dayen, pastor of the Coulter Church, organized a new congregation, which took the name Christ Church, in 1964, in the Knights of Columbus Hall. The two congregations merged to build the new Christ Church in 1965. Ground was broken for the new Church October 31, 1965, and it was consecrated June 12, 1966. The membership in 1968 was 257. The congregation completed construction of their sanctuary and classrooms in 1986. The membership on January 1, 2003 was 450.

History: Methodist – Western Pennsylvania Conference. In 1950 First Church McKeesport began bus transportation to and from the Green Valley area and won some 65 families to the church. Those families and others in turn desired to establish their own church. This church was begun as an experiment by First Methodist Church of McKeesport and its first few weeks of existence was pastored by Reverend Dean Byrom, a student intern, assigned to First Church. The time was July 1963, the meeting place was the Green Valley Fire Hall. In September 1963, Reverend Charles F. Remaley, Jr. was assigned to serve this group and organized it into the Green Valley Methodist Church on May 24, 1964 with Dr. W. Sproule Boyd, District Superintendent, presiding at the organizing service. Ground was broken for the Church building in July of 1967. At this time 125 members of First Church transferred their membership to the Green Valley Methodist (Community) Church. The first worship service in the new building was held on September 15, 1968. On December 8, 1968 the building was consecrated by Bishop Roy Calvin Nichols, with Reverend Charles F. Remaley, Jr., pastor, in charge. The membership at the time of the consecration service was 267. Green Valley became a two-point charge with McKeesport: Highland Grove in 2000. The membership on January 1, 2003 was 82. Transferred from Pittsburgh East District in 2004. Closed June 30, 2006. Merged with McKeesport: Highland Grove. Records went to Highland Grove Church.

History: Methodist Episcopal – Pittsburgh Conference. At the urgent request of several members of the Verona Methodist Episcopal Church who resided in Oakmont, Reverend Nathaniel P. Kerr called a meeting in the “Upper School House” on January 17, 1892. Approximately 150 people attended and a Methodist Episcopal Sunday School

Greensburg District

was organized. On April 15, 1892 another meeting was held and those present voted unanimously to secure a lot and build a Church. On May 29, 1892 Reverend Kerr organized the Oakmont Methodist Episcopal Church with 54 members. Thus, Methodism came officially to Oakmont and on July 18, 1892 the Church received its charter of corporation. A lot for the first building was purchased on Fourth Street August 5, 1892. When the School Board notified the Church that they could no longer use the Public School for purposes of worship, the “Tabernacle in the Grove” was built on the rear of the lot of Fourth Street. The congregation worshipped in the tabernacle until cold weather, when a building known as “Red Onion Saloon” on Hulton Road provided them with a place for worship. The Church building was completed and dedicated on July 23, 1893. This first church served the congregation well for twenty years and then became inadequate. On August 8, 1912 it was decided to sell the building to a Lutheran congregation and to purchase the lot on the corner of Maryland Avenue and Fifth Street. The new building was dedicated on November 5, 1916. In 1988 the Verona: John Wesley Church merged with the Oakmont United Methodist Church. The membership in January 1, 2003 was 525. Oakmont UMC transferred from Pittsburgh East District to the Greensburg District in 2004. Oakmont UMC has a very active outreach through local missions and the United Methodist Women. Three church-wide events that generate funds for these outreaches are the annual church Christmas Bazaar, caramel-making, and the notorious in-house Mystery Dinner Theatre. Worship is provided in both traditional and contemporary praise and chorus styles. Preaching and teaching are presented in classical Biblical based formats where the inspired inerrant word of God is proclaimed. The emphasis is on living in a vital relationship with Jesus Christ as our personal Savior and Lord. A strong effort is practiced to minister to children, youth and families. The care of seniors, the grieving and the sick is also a priority. All in all, the Oakmont United Methodist Church people strive to be ambassadors of Jesus Christ to all people with a sincere heart to the least, the lost and the lonely.

History: United Brethren – Allegheny Conference. During the year 1916 the Ocean Coal Company built a good, frame church at Oceanco which was dedicated by Dr. J. S. Fulton. The company held the title and kept the church in repair and agreed that, as long the United Brethren furnished a minister, no other denomination could have the building. A Class was formed and became a part of the Hermanie Charge, but in 1916 was made a part of the Arona Charge.

at Irwin, was invited to preaching to Penn that fall and he commenced holding preaching services in the Penn School House every two weeks. The Church was organized on December 22, 1865 with eleven members. At the conference session of 1866 Penn was made a part of the Irwin Charge. The Church, built on lots given by the Penn Gas Coal Company, was occupied on December 1, 1866 and dedicated on July 18, 1867. As the result of an extensive revival in the Fall of 1867, two new Classes were formed, giving the Society three Classes. The Class leaders were J. N. McCartney, George Giles, and James Franklin. In 1869 the Penn Station Circuit was created consisting of Penn, Harrison City and Adamsburg. Adamsburg was abandoned after six months and Manor was added in 1871. These three churches, Penn, Manor and Harrison City continued as a Charge until May 28, 1952 when Penn was made a Station appointment. It remained as a Station appointment until 1998 when it was made a two-point charge with Manor. The membership in 1968 was 108. The membership on January 1, 2003 was 77. Penn UMC closed in 2008, and their records were said to have gone to the Western PA Conference Archives.

Location: 1021 Colonial Manor Road and Route 30 in North Huntingdon, Westmoreland County, PA.

History: Evangelical United Brethren – Western Pennsylvania Conference. In the late 1950s, the Evangelical United Brethren Church's Board of Missions decided the rapidly developing area of Penn's Woods, Markvue Manor and Overholt Acres needed a church to minister to the needs of the community, so they started the Penn's Woods Church as a Mission Church. On November 18, 1959, Reverend and Mrs. John Franklin Springer and family (Steve, Joyce Ann and David) moved into Penn's Woods, becoming the sixth family to live there. On December 13 1959, the first church service was held in the old farmhouse that was located near the current Penn's Woods Civic Association building. Nineteen persons attended. On January 14, 1960, the first service was held in the temporary chapel in the garage of the new parsonage. On March 6, 1960, thirty-three first charter members were received into the church membership and on April 30, 1960 they closed out their first conference year with 45 members. Ground was broken on October 9, 1960 for the first unit of the Penn's Woods Evangelical United Brethren Church. On their first anniversary, December 11, 1960 there were 81 members reported for the year. The corner stone was laid on April 9, 1961, with Reverend Clyde Dietrich, conference superintendent of the East District; Dr. Harry J. Fisher, superintendent of the West District; Mr. John Garlic, contractor, Mr. Gordon Pierce, architect and Reverend John Franklin Springer, pastor, sharing in the service. This corner stone included a Bible, list of the charter members, History of the Church and a copy of the Telescope Messenger. The new church was dedicated on September 21, 1961 at a total cost of \$143,000 paid by the Evangelical United Brethren Board of Missions. On November 18, 1973 Richard Donald Updegraff, was approved as a candidate for the ministry from Penn's Woods Church. The membership on January 1, 2003 was 273. Penns Woods UMC merged with North Huntingdon: Christ UMC on June 25, 2017.

History: Methodist Episcopal – Pittsburgh Conference. The year of 1892 marks the beginning of Methodism in Pitcairn, under the pastorate of Reverend Robert L. Hickman of Wilmerding. Meetings were first held in the homes and out of doors. The first charter was granted February 1893 as Walurba Methodist Episcopal Church. In October 1892 a lot was purchased for the sum of \$1.00 on which the first church was to be built. It was dedicated November 19, 1893. The dedication sermon was delivered by Reverend Charles Wesley Smith, then Editor of Pittsburgh Christian Advocate and who later became a Bishop. In the year 1906, the church burned to the ground. A new church was erected and was dedicated June 27, 1909 under the pastorate of Reverend Calvin Henry Reckard. He started with a membership of 267 and when he left six years later the membership had increased to 512. From the year 1892 to 2000, thirty-two pastors have served the church. The membership on January 1, 2003 was 304. Transferred from Pittsburgh East District in 2004. In 2020, Center Avenue United Methodist Church is a small but mighty congregation in Pitcairn, PA. They meet in Tri-Unity building/church and are blessed to call it home. The congregation is very active with mission outreach to Pitcairn and Monroeville and surrounding areas. Last Christmas, CAUMC adopted seven families (pets included!) and donated four carloads of gifts. They have donated backpacks filled with school supplies to those in need, donate and volunteer to the Pitcairn Food Pantry, work with Meals on Wheels, collect personal hygiene products for the Gateway School District, do crafts and activities with Senior High-Rise residents in Pitcairn, make favors/crafts for long-term care facilities, support Camp Allegheny and missionaries, and distribute free hot dogs and other items for Halloween. Center Avenue UMC has active youth and adult Sunday School classes. Center Avenue United Methodist Church...where the heart and hope of Christ is made visible in Pitcairn.

was moved to Pitcairn and dedicated September 13, 1891 with 11 charter members. That fall it was attached to Wilmerding, forming the Wilmerding-Wall Charge. The class was made a station in 1899. This building served the congregation as a place of worship until 1922, when under the pastoral leadership of Reverend T. M. Sharp, the new combined church and parsonage was built on the new site. The cornerstone was laid by Dr. J. S. Fulton and Mrs. Frank Leshner, July 9, 1922 and the completed church was dedicated by Dr. S. S. Hugh on Easter Sunday April 15, 1923. That day the members marched from the old building to the new one. At the Union in 1968, there were 336 members. The membership on January 1, 2001 was 58. Pitcairn: Highland closed March 3, 2003, and records went to the Western PA Conference Archives. The closing membership was 56. Transferred from Pittsburgh East District in 2004.

History: Methodist Episcopal – Pittsburgh Conference. The congregation grew out of class meetings held between 1819 and 1833 in the homes of John Hartsell and John Pershing. The church was organized in 1832. First building of logs was erected in 1833, just west of the town at the site of the cemetery. The frame building was built in 1870 but was completely remodeled in 1906. Originally part of the Connellsville Circuit, later the Ligonier Circuit. The Greensburg Circuit was formed in 1851 and consisted of Greensburg, New Alexandria, Rosses, Mount Pleasant, Tarrs and Pleasant Unity. Later Pleasant Unity was a part of the Latrobe Circuit. The Pleasant Unity Charge with Lycippus was formed in 1881. A brick educational building was erected in 1960 and dedicated in 1966. The membership in 1968 was 365. The membership on January 1, 2003 was 215. The Pleasant Unity United Methodist Church is a family-oriented congregation, consisting of generations of faithful people coming together to lift up each other and their community in service to our Lord. Missions have always been an area of great focus for this church, highlighted through the education of their youngest members on the importance of giving. This is done financially through collections taken by the children and given to organizations which support not just local, but regional and national missions. It is also done through the hosting and supporting of the local food bank. While the church respects its foundations and traditions, it has shown a great strength in the face of changes in the past year and continually adapts to its environment, encouraging connection in the time of isolation though different forms of communication, including online services, monthly newsletters, and regular mailings.

History: Methodist Episcopal – Pittsburgh Conference. This congregation evolved from two Sunday Schools started in the early 1900s. The one Sunday School was started by Mr. and Mrs. McPherson and met in the Dale Street School House; the other met in the G. F. Myer home or barn. Mr. Myer offered to provide two lots for a Church and Reverend John F. Murray, Presiding Elder, and T. D. Gardiner from McKeesport chose a site on Port Vue Avenue. The first church building was dedicated June 18, 1905. Port Vue received \$2,500 from the sale of the abandoned Sixth Street Methodist Episcopal Church in McKeesport. The Sixth Street congregation had been organized in 1881 and their church had been built in 1890. The new Port Vue Church, located about two miles from the original church site, was built in 1958-1959. It became a Station appointment in 1955. The first parsonage, located at 900 Morton Avenue, was purchased in 1960. This was sold in 1966 and a new parsonage was erected adjacent to the church. The membership on January 1, 2003 was 587. Transferred from Pittsburgh East District in 2004.

Location: 813 Salt Street in the Borough of Saltsburg at the junction of Routes 981 and 286 in Indiana County, PA.

History: Methodist Episcopal – Pittsburgh Conference. This congregation was organized in 1841 as a preaching appointment on the Kittanning Circuit and its first frame Church building was erected that year. A revival doubled the membership in 1884-1885. The brick Church was dedicated in 1892. This church has been on the following circuits: Kittanning 1841-1844, Murrysville 1844-1847, New Salem 1847-1848, Blairsville 1848-1859 and Saltsburg 1959-1909. In 1909 Saltsburg was linked with Nowrytown and so continued until 1949 when Saltsburg became a Station. The Nowrytown church was erected in 1888 and continued to have Sunday School there until 1964, when the church was sold. The 1968 membership of Saltsburg was 252 and the membership on January 1, 2003 was 159. Transferred to Indiana District in 2004, and then back to the Greensburg District in 2019. Saltsburg is a small town along the banks of the Kiskiminetas River between Apollo and New Alexandria which offers the peace and comfort of small-town living and the close-knit relationships not often found in large suburban areas. Church members believe in loving their neighbors and actively seek to serve the community through such outreach ministries as a free clothing distribution program, sponsoring children for camp, an annual free turkey dinner, and support of the local food bank. In addition to family worship on Sunday mornings, the church offers Bible Study and children's Sunday School, and is home to a very active unit of the United Methodist Women. New Alexandria UMC is very mission-minded and is dedicated to supporting community needs and outreach programs. Over the years, they have maintained a focus on ministering to children. The congregation also includes gifted musicians who share their talents through special music and community choir performances. In 2019, New Alexandria UMC was yoked with Saltsburg UMC in a two-point charge.

SARDIS

METHODIST EPISCOPAL – PITTSBURGH CONFERENCE

GREENSBURG DISTRICT

184?-1967

Location: 4276 Saltsburg Road, Murrysville, on Route 286 between Holiday Park and Mamont, Westmoreland County, PA.

History: Methodist Episcopal – Pittsburgh Conference. The Methodist Society was organized as Sardis in the 1840s. On January 24 1848 Duncan and Marjorie Kieth deeded one-fourth of an acre of land where the cemetery was located for a church and the first Church building was probably built that same year. Originally was placed on Murrysville Circuit. The Sardis Circuit was created in 1875. In 1885 there were six churches on the Circuit: Sardis, Delmont, Merwin, Mamont, Davidson’s Chapel and Murrysville. By 1910 all but Sardis and Murrysville were closed. In 1888 John and Elizabeth Masters gave an additional 159 spare rods of land besides the cemetery plot and the second Church was built on it that year. The carpenters were John Wallace and Samuel Hilty. In 1890 an additional eight acres of land was given to the church by the Davidson family and a parsonage was built on it. In 1912 this parsonage and property were sold and a brick parsonage was built at Murrysville for the Circuit. The church at Sardis declined during the first half of the 20th Century, but about 1950 commenced to grow again. In 1959 it became a separate charge. With the rapid development of the new Holiday Park Community during the 1960s, and the location of a new Evangelical United Brethren Church in the community, merger with the Holiday Park congregation began to be discussed. The merger of the two churches was consummated on October 1, 1967, before the Denomination Union of The Methodist Church and the Evangelical United Brethren Church at Dallas, Texas in April 1968. The last reported membership at Sardis Methodist Church in 1967 was 330 when the merger occurred. The Church was later sold to a private individual and then became the headquarters of Theotherapy Seminars, Inc. The Sardis Cemetery is still in operation.

Mailing Address: 411 Sheridan Avenue, Greensburg, PA 15601-5366

724/832-3651

ID: 098643

Location: 411 Sheridan Avenue and Elm Street in the Borough of South Greensburg, Westmoreland County, PA.

History: Methodist Episcopal – Pittsburgh Conference. The South Greensburg church was organized in 1889 by a group of Christian believers who felt so deeply the need to have a place of worship that they mortgaged their own homes in order to build a church building. For several years prior constructing a building, meetings were held in the homes of members and in the school house. In 1890 the first building was erected between Coulter and Jamison Avenues on Poplar Street. An addition was added in 1909 and the building was used until 1924, when the congregation had outgrown it and a new church was built on the corner of Sheridan Avenue and Elm Street, on property, which was acquired in 1920. Prior to this, South Greensburg was on a circuit with Hecla and New Stanton. It became a Station appointment in 1924 and has remained a station since then. During the church's existence nine men and one woman who were members at one time went into full time ministry. The membership in 1968 was 660. The membership on January 1, 2002 was 349. Although many things have changed throughout the years, their faith in the Lord remains their Cornerstone. With both contemporary and traditional worship services, as well as Bible studies, South Greensburg UMC has started a new "Kids Jam" on Wednesday evenings, designed to involve the young people in the community. The program is for all children ages, four through high school, and offers fellowship, games, crafts, and music to share the love and teachings of Jesus. The church also offers a Bible School each summer for the children of the community and sponsors Boy Scout/Cub Scout Troop 405. With the mission "To Honor, Share, and Grow in Christ," the congregation sees its purpose in the community of South Greensburg as reaching out and sharing the love of Jesus with everyone, until all come to know Him as their Savior and Lord.

History: Methodist Episcopal – Pittsburgh Conference. The Church was an outgrowth of a mission Sunday School promoted in the new town of Trafford City by members of the Circleville Church. The group met first in Euwer's Hall on First Street, then in Cameron Hall. It first appears in the Conference appointment lists in 1903. In 1904, Reverend George Meade Dougherty was appointed its first pastor. The congregation was organized on January 7, 1904 by Reverend Dougherty and the Reverend Silas Thayer Mitchell, Presiding Elder of the Blairsville District and its first frame Church was erected at the East End of Duquesne Avenue that year. Bishop Francis John McConnell consecrated the new brick church building on June 15, 1924, and the attached brick parsonage was built in 1929. The congregation struggled with a crippling indebtedness during the depression years of the 1930s, which was finally liquidated in 1945. A new parsonage was later purchased at 125 Belleau Wood Boulevard in Trafford, PA 15085-1239. The membership in 1968 was 670. The membership on January 1, 2003 was 214.

History: Methodist Protestant – Pittsburgh Conference. A group of members of the McMasters Methodist Episcopal Church in Turtle Creek withdrew from that congregation and were organized into the First Methodist Protestant Church of Turtle Creek on November 1, 1895 by Reverend George C. Sheppard, President of the Pittsburgh Conference of the Methodist Protestant Church. A charter was secured on March 11, 1898. There were 70 members at that time. A site for the first Church at the corner of Eleventh Street and Airbrake Avenue was secured May 25, 1898, and a Church was erected on it that year. This property was sold to the Pennsylvania Water Company in 1937. The lots for the property on James Street were purchased by the Board of Church Extension of the Conference in 1936 and the first unit of the property was dedicated May 1, 1938. The name of the Church was changed to Electric Heights following the Methodist reunion in 1939. A new parsonage was built on the property in 1958. Starting in 1963, with the consecration service on June 14, 1964, the new building was erected and the older church was renovated. This church was a Station appointment from the beginning. The membership on January 1, 2003 was 169. In 2003 Turtle Creek: Electric Heights and Miller became a two-point Charge. Transferred from Pittsburgh East District in 2004. Located on James Street in Turtle Creek, Electric Heights is a small but tenacious congregation. Like the other

churches in the Turtle Creek Valley, Electric Heights struggles with an aging congregation, a decline in their membership and financial resources, but they are strong in the love for people and for Jesus. They share ecumenical ministry with churches in the valley. The laity are resourceful and involved in various outreaches and ministries such as Operation Christmas Child and World Vision.

History: Methodist Episcopal – Pittsburgh Conference. In the early summer of 1870, when the Reverend William D. Slease came to the YMCA meeting he learned there was no Methodist Church in the vicinity. Before leaving he arranged to preach Sabbath afternoons in a Grist Mill. By late autumn the First Methodist Church was organized in Turtle Creek with eight members. When the erection of a church building was considered, Captain McMasters, an influential land owner, gave the lot for the building of a \$7,000 frame church, completed and dedicated on February 10, 1872. The Church was made a Station appointment and Reverend William D. Slease was named the first pastor in 1872. At the pastor's suggestion, the church was named and chartered "The McMasters Methodist Episcopal Church of Turtle Creek." Under the leadership of the Reverend Burr Reddig McKnight the second building was completed and dedicated December 17, 1911. The congregation and minister, Reverend Howard Weston Jamison were shocked and sorely grieved on May 3, 1946, when a disastrous fire laid waste to the church and parsonage. Opening Services were held in the rebuilt Church on March 7, 1948. The new church structure, valued at over one half million dollars, was dedicated Sunday, December 11, 1960. The membership on January 1, 2003 was 451. Transferred from Pittsburgh East District in 2004. In 2020, McMasters UMC in Turtle Creek is a small, welcoming, and loving church family, celebrating Holy Communion weekly at its 9:30 a.m. worship service. The congregation is exploring its identity amid the challenges of a changing community and aging population. The congregation's active community outreach includes monthly worship and lunch at the local senior citizen high-rise; a free lunch for the community, and celebrating Thanksgiving with the community by hosting a Thanksgiving dinner. The McMasters congregation has active United Methodist Men and United Methodist Women groups, Lent and Advent Bible Studies and fellowship gatherings, including game day and a friendship dinner.

History: Methodist Episcopal – Pittsburgh Conference. Founded in the spring of 1887 during a period of religious fervor in the area. Persons of Elrod, as the town was then known, met in the larger homes for worship and study. Under Reverend Thomas Newton Boyle, pastor of the McKeesport: First Church, a new church building was dedicated on November 5, 1887, for the costs of \$1100, with most labor and materials donated. There were 22 charter members of the First Methodist Episcopal Church of Elrod. In 1904, the name was changed unofficially to Versailles Methodist Episcopal Church, although the charter was not revised until 1947. Church membership grew during revivals preached by Billy Sunday, and a Men's Personal Workers League founded by Sunday's preaching continued until 1964. In 1914 the brick church was erected, and the old church building was later used as a fire hall for the borough. From 1908 to 1923 the church was linked with Christy Park, and since 1923 was a Station appointment. In 2002 McKeesport: Wesley and Versailles became a two-point Charge. The membership on January 1, 2003 was 150. Transferred from Pittsburgh East District in 2004. Versailles UMC closed in 2005, and their records went to the Western PA Conference Archives.

Dempsey when they were pastors of the old Connellsville Circuit. The community was then known as Robbstown. The original society was composed of just 11 members. They were James McGrew and wife, Jacob Longenecker and wife, Matthew Carter and wife, David Banford and wife, James Hibben, Hannah Hibben and Sarah Lamb. Preaching first began in the community's "Little Round Schoolhouse." The first church was a brick structure erected in 1840. This was replaced by a brick structure, which was dedicated in 1883. It was named the Snyder Chapel after its chief benefactor, John L. Snyder. In 1906 the name was changed to The First Methodist Church of West Newton. The church was affiliated with various circuits until 1882 when it became a station appointment. A ten-room house next door to the church building was purchased in 1961 to increase the space for the teaching mission of the Church. It is known as Wesley Hall. This was the home church of Dr. Daniel L. Marsh, the late President and Chancellor of Boston University. The membership in 1968 was 377. The membership on January 1, 2003 was 275. West Newton UMC has a vital music ministry supported by an accomplished organist who plays a pipe organ installed on October 29, 1905 and registered by the Organ Historical Society. The original price of the organ was \$3000 with \$1250 donated by Andrew Carnegie. The church has a talented praise team and an active bell choir with members from both the Herminie and the West Newton churches. The congregation reaches out to the community through a Christmas Angel Tree project with the local elementary school, Meals on Wheels, and mission involvement through its United Methodist Women's unit. A quilters group meets every Tuesday morning and the proceeds from quilt sales goes to mission support. The West Newton church enjoys worshipping with its sister congregation at Herminie at various times of the year such as Lent and Holy Week and an annual summer worship and picnic celebration.

History: United Brethren – Allegheny Conference. The Youngwood Church is the product of the interest of the Greensburg: Otterbein Church, which in 1900 became interested in the growing railroad town of Youngwood and decided to plant a Mission Church. In 1902 the Annual Conference placed it under the Greensburg Quarterly Conference and this Church supplied what preaching it received until Reverend N. E. Sininger was appointed pastor in 1903. Originally located at the corner of Deport and Fifth Streets, it was organized in April 1903 with 16 charter members. The first Church on North Third Street was dedicated September 13, 1903 by Dr. Samuel Webster Keister. During the pastorate of Reverend Ernest G. Sawyer a parsonage was built and the church enlarged. Under Reverend John Watson the new location on Fifth Street was secured, plans drawn and the first unit, the Sunday School Department was erected in 1921. The educational unit was dedicated December 11, 1921. The auditorium was added, and the building completed and dedicated by Dr. J. S. Fulton March 28, 1926 under the pastorate of Reverend Mead M. Snyder. At the merger in 1968 the name was changed to Youngwood: Christ. Later the building was condemned and the congregation built the beautiful large church, with spacious social rooms and classrooms, on the hill at 100 Lincoln Avenue. The membership in 1970 was 679 members. The membership on January 1, 2003 was 559.

History: Methodist Episcopal – Pittsburgh Conference. The origin in 1901 was at the home of Reverend Henry J. Hickman near the old Kennedy School on the northern tip of Youngwood. The first structure was a wooden, frame building 30 feet by 40 feet in 1901. It cost the members \$729.00. Membership grew rapidly and in 1911 a brick building was erected replacing the older one at a cost of \$16,018.64. In 1958 an educational unit was added to the church at a cost of \$113,000.00. Most of the time Saint Paul has been a station church but since 1943 it has been on a charge. New Stanton was added at that time. In 1968 Hecla Church became a part of the Youngwood Charge. The membership in 1968 was 550. Since 1970 Saint Paul has been a Station Appointment. The membership on January 1, 2003 was 244. Youngwood: Saint Paul UMC is a small church with a big heart. The congregation has a strong laity presence and they are active in ministry in the community and at the Westmoreland County Fair, where the Youngwood churches support a hospitality center that provides a calming, compassionate ministry presence and offers free water, Bibles, prayer, and relationship-building. Saint Paul's has a "senior prom" ministry making free prom gowns, accessories, and other related adornments available for those who might not otherwise be able to have them to wear to a prom. Saint Paul is looking forward to continuing to build relationships in the Youngwood community and with nearby churches.
