History: United Brethren – Allegheny Conference. The Belsano Church is older than the Allegheny Conference. Records of this Church are scarce but it is a well-established fact that the church was built in the early 1830s. It was built and given outright by Adam Makin, who afterwards left his estate to the conference. Reverend Robert McClay Hamilton, while pastor of the Belsano Charge, preached in the old Big Ben School House. The Church was completed and it was dedicated by Dr. J. S. Fulton on January 29, 1908, during the pastorate of Reverend Oscar O. Krenz. It was destroyed by fire in 1926 and it, with the lot was sold. A new location was secured and the new structure was erected in 1926. It was dedicated by Dr. W. S. Wilson assisted by Dr. J. S. Fulton October 23, 1927. It was built during the pastorate of Reverend L. C. McHenry. It was made a part of the Belsano Charge in 1904. In 1929 the building was moved 90 feet because of highway construction. The Church was remodeled in the 1940s. The Church has been well cared for and improved from time to time so that it is now comfortable and fills well its mission. The parsonage is a good six-room frame house and is located by the side of the Church. In 1970 it was linked with Twin Rocks. The membership in 1970 was 106. It later was placed on a charge with Strongstown and Twin Rocks and the name was change to Triangle Charge. The Belsano Evangelical Church was renamed Belsano: Faith Church. The membership on January 1, 2002 was 119. Transferred from Johnstown District to Indiana District in 2006; Transferred back to Johnstown District in 2010.

Location: Located at 414 First Street and Main in the Borough of Conemaugh, Cambria County, PA.

History: United Brethren – Allegheny Conference. The United Brethren was the first denomination to hold religious services in Conemaugh and the Class owes its origin to a great meeting held in 1873 by Reverend R. S. Woodward, after which he organized the Class with fifty members. A Class was organized in 1873. When the need of a Church was presented, the Cambria Iron Company donated the new Class a lot that has been occupied ever since. The Class proceeded to build a two-story frame building at a cost of \$6000 and which was dedicated in March 1874 by Reverend James Morgan Smith. This building served the Class for thirty-one years when it was replaced by a splendid and modern building. The initial step toward a new building was taken in 1905 and the cornerstone was laid by Reverend B. L. Seneff in September 1905. The building was completed at a cost of \$25,000 and it was dedicated July 29, 1906 by Dr. W. R. Funk. The completed building which included a modern nine-room parsonage had a frontage of one hundred thirty-two feet and a depth of forty-six feet. The work was done under the pastorate of Reverend B. L. Seneff. This Church was chartered in 1905 and named the Conemaugh Church of the United Brethren in Christ. It was originally a part of the Cambria Charge and afterwards associated with Wilmore until September 1890 when it was made a station. In 1946 the name was changed to Conemaugh: First Church. This Church was destroyed by fire on January 8, 1951. The new Church was dedicated March 22, 1953 and an educational unit was dedicated March 14, 1954. In 1970 there were 301 members. The membership on January 1, 2003 was 176.

History: United Brethren – Allegheny Conference. While pastor of the Cambria Charge in 1872, Reverend H. A. Buffington visited the new growing town of Dunlo. During the summer he preached in an old saw mill and gathered money and material with which to build a church. A Class of six members, Mr. and Mrs. Charles Grief, Mr. and Mrs. Wesley Reynolds and son and daughter, the Church was organized in 1872. Services were held in houses and halls. The first building was dedicated September 4, 1892. Dr. L. W. Stahl officiated at the dedication. The class had a normal growth and carried on in this Church until 1907 when the Church was destroyed by fire. The new building was built while Reverend S. J. Wilson was pastor and was dedicated by Dr. J. S. Fulton on August 16, 1908. Dunlo became a part of the Dunlo-Beaverdale Charge, but later each of these became a Station. The Class erected a six-room house for the pastor and this was extensively improved and modernized while Reverend L. W. Stahl was the pastor. The coal companies to whose employees this church ministers have been very generous in their support of the programs of the church. An educational unit was added in 1978. In 1970 there were 167 members. The membership on January 1, 2003 was 212.

Location: Located at the corner of North Center Street and 100 East Highland Avenue in the Borough of Ebensburg, on Routes 422 and 219, in Cambria County, PA.

History: Methodist Episcopal – Pittsburgh Conference. In October 1893, Reverend Joel Hunt was appointed to a Charge consisting of Ebensburg, Belsano and Chest Springs. At the time Ebensburg had no organization and no Church building but had a constituency of about fifty people who desired a Methodist Church. Reverend Hunt preached his first sermon in Ebensburg on November 24, 1893, with the Congregational Church sharing their building. After the service Reverend Hunt organized a Methodist Society of eleven members. Worship was continued in the Congregational Church every other Sunday evening for six months. On May 1, 1894 they moved their place of worship to the Baptist Church, remaining there until April 28, 1895. In the period from November 24, 1893 to April 28, 1895, they had secured a plot of ground and erected a brick building on North Julian Street where they remained until a new church was built and dedicated at the new location in 1961. The local members, at a cost of \$82,000.00, built much of the new edifice. The former parsonage and Church were sold and a property purchased for \$40,000 with a large beautiful parsonage. The membership in 1968 was 333. The membership on January 1, 2002 was 394.

History: United Brethren – Allegheny Conference. The history of the United Brethren Church in Johnstown dates back to 1838, in which year the Class was organized by Reverend William Beighel, with a charter membership of 24 members. A small frame chapel was built on the corner of Main and Jackson Streets in 1844. In 1857 the pastor, Reverend George Wagoner, with an enrollment of 75, organized the first Sunday School. The Vine Street location was secured in 1866, under the pastorate of Reverend William B. Dick. A stone church was erected at a cost of \$15,000. It was dedicated on May 16, 1869, by Bishop J. J. Glossbrenner, assisted by Bishops Weaver, Edwards, Markwood and Shauck, all of whom were on their way to General Conference at Lebanon. This building withstood the great flood of 1889 and was in a fine state of preservation when it was torn down to make way for a new structure. A brick parsonage was built in 1890, to take the place of the one carried away by the great flood of 1889. On the same site, in 1910, under the pastorate of Reverend G. Mahlon Miller, the new Church was built. It is of brown sandstone and the parsonage is cased with the same material. This cost more than \$140,000.00. The dedication took place November 24, 1912, and was in charge of Dr. W. R. Funk. Jubilee Day was observed in 1920, when under the pastorate of Reverend E. C. Weaver, the last dollar of debt was paid. Dr. Clay C. Gohn had led this aggressive congregation for seven years. The building as it now stands tells a story of loyalty, sacrifice and service and of an influence that is felt locally, in the conference, and in the denomination. The basement was severely damaged by the 1977 flood. Three historic conferences were held in First Church: In 1946 it held the closing session of the General Conference, United Brethren, prior to becoming the Evangelical United Brethren Church; In 1951 it held the closing session of the Allegheny Conference (formerly United Brethren), prior to becoming the Western Pennsylvania Evangelical United Brethren Conference; In 1969 it held the closing session of the Western Pennsylvania Conference (formerly Evangelical United Brethren), prior to becoming the Western Pennsylvania United Methodist Conference. In 1970 there were 962 members. The membership on January 1, 2003 was 478.

History: Methodist Episcopal – Pittsburgh Conference .. “Johnstown Pioneer Methodist Congregation.” Before 1825 this area was served by Circuit Riders from the Baltimore Conference. The first Methodist meeting was in the home of William Slick; after meeting in homes, people met in “Old Blackie”, a combination school and church building in the downtown area from 1819-1827, when they moved to “King’s Warehouse.” The original Society was on the Connellsville Circuit until 1832 when the Circuit was divided and Johnstown became a part of the Blairsville Circuit. In 1838 the first building on the Locust Street site was erected; it was razed in 1852 and a second building was built. It was in this building in 1855 that the Pittsburgh Annual Conference met for the first time in Johnstown. In 1866 this building was razed and the new sanctuary was erected; it was dedicated in 1869. An educational building was erected in 1912 and an additional building housing a chapel, kitchen and church school rooms was added in 1957. The sanctuary withstood the great flood of 1889, survived the floods of 1936 and 1977, and two fires, 1895 and 1950. The 1968 membership was 1,461. The membership on January 1, 2003 was 554.

History: Evangelical United Brethren – Allegheny Conference. The Johnstown Ministerium, in looking over the City, thought that the Walnut Grove section ought to have Church services. Reverends Stahl, Fulton, Cook, John, Mingle, Pershing and Miller preached in the schoolhouse on Bedford Street, then Walnut Grove, which had been secured for that purpose. The Church was organized in 1891. Mrs. N. R. Griffith donated a plot of ground and the pastor Reverend George C. Cook, along with his trustees, N. R. Griffith, Dr. L. W. Stahl and John Thomas, erected a building twenty-eight by forty-three feet at a cost of \$3,500. The first building was erected on the corner of Solomon Road and Marsh Avenue. It was dedicated January 3, 1892 by Bishop Ezekiel Boring Kephart. This was followed by a gracious revival in which over 100 souls were saved. A Class was organized of over a hundred members and the Church was self-sustaining from the beginning. In 1893, an addition, forty by fifty-two feet was added to the building and dedicated on November 26, 1893 by Bishop L. W. Stahl. The Church was destroyed by fire January 24, 1897. A second Church was built and was dedicated July 5, 1907, by Bishop E. B. Kephart. The new site was purchased in 1914 at a cost of \$3,800. In 1915 the congregation voted to build a new church and parsonage. The old parsonage on Solomon Street was sold and a second one bought on Berg Street. This, too, was sold. The cornerstone for the new sanctuary was laid June 11, 1916. The Church was dedicated by Bishop Weekley and Dr. J. S. Fulton on April 8, 1917. An educational unit was dedicated June 14, 1959. In 1970 there were 761 members. The membership on January 1, 2003 was 574.

History: United Brethren – Allegheny Conference. Allegheny Conference in 1889, instructed the Presiding Elder of the Johnstown District, Reverend David Sheerer, to occupy Moxham, a suburb of Johnstown at once. Carrying out these instructions, two lots on Coleman Avenue were secured for \$800, on October 1, 1889. Reverend B. F. Noon, who was appointed pastor, gathered the United Brethren people together and on March 16, 1890 organized a Class consisting of twelve persons. The meeting was held at the Irwin Clark home on Coleman Avenue with 25 persons attending. Services were held on Linden Avenue. On March 25, 1890 John Thomas, Charles Leffler, William H. Miller of Johnstown First Church and Peter Spangler and Wash Stonebraker were elected trustees. They let out a contract for a new building on April 2, 1890, and Bishop J. Weaver dedicated it before the next Annual Conference. In 1902, under the pastoral direction of Reverend S. R. Seese a new location at the corner of Park Avenue and Baum Street was secured for \$1,050 and on this lot was erected, in 1904, a brick encased structure costing \$11,500. There the congregation worshipped and grew rapidly so that a Sunday school room was added under the pastorate of Dr. S. W. Keister in 1910. The building now covered the entire lot and under the pastorate of Reverend Dr. E. C. Weaver, the lot adjoining the church was purchased and in 1914, a building committee was authorized to proceed with a new addition according to the plan adopted. The old building was razed, the entire space excavated and the new basement divided into classrooms for class work, social rooms and kitchen. The first floor was arranged for Sunday School purposes and the second floor has the "All Aboard Class Hall." The entire cost of the plant was \$45,000. The building can accommodate 2000 people for Sunday School purposes. It was dedicated by Bishop W. M. Weekley, August 23, 1915. A parsonage, located on Coleman Avenue is modern and commodious, and makes a splendid manse for the pastor of this congregation. In 1970 there were 808 members. The membership on January 1, 2003 was 332.

History: United Brethren – Allegheny Conference. Westmont was first known as Upper Yoder Chapel and was organized as a Union Church in 1896. The new Church building was dedicated by Bishop E. B. Kephart in July 1897. Reverend S. E. Cormany organized the United Brethren Class on July 1, 1900, with seventeen members. In 1919, under the leadership of Reverend J. W. Oakes, the Church property was purchased, and incorporated as Southmont United Brethren Church. During the pastorate of Reverend John Isaac Lewis Ressler, (1919-1922) a modern ten-room parsonage was built and the value of Church and parsonage was conservatively placed at \$25,000. In 1931 the membership was 130 and the average Sunday school attendance was 115. They had a splendid Christian Endeavor Society, Otterbein Guild, Women's Missionary Association, Brotherhood and Ladies Aid Society all united in the promotion of a modern church service to a beautiful and rapidly growing residential section of the City of Johnstown. This Church is a child of the Barren Avenue Church as the original action leading to its organization was taken at the quarterly conference held there, June 30, 1900. In the 1950's the building was remodeled and the parsonage converted into an educational unit. Dedication services were held in September 1955. Reverend Arthur Peden was sent out as a minister from this church. In 1965 the educational Unit was replaced by a new one. In 1970 there were 214 members. The membership on January 1, 2003 was 263.

The need of a Church led the pastor and his trustees, Thomas W. Burke, Miles Davis and A. J. Ramaley, to secure the site on May 6, 1893, for \$175, and to push to completion the two-room frame building. It was dedicated by Dr. L. W. Stahl on October 15, 1893, and cost \$2300. Mailing Address: PO Box 73, Mineral Point, PA 15942-0073

ID: 098302

Location: Located at 183 Front Street in the Village of Mineral Point, two miles east of Route 271, and the Village of Wesley Chapel, and eight miles from Johnstown, in East Taylor Township, in Cambria County, PA.

History: Methodist Episcopal – Pittsburgh Conference. A congregation was organized to serve the Village of Mineral Point, along the Little Conemaugh River north of Johnstown, sometime before 1873. The Congregation originally met in the local schoolhouse. In 1873 a Church was built under the leadership of J. D. Jose and George Page; this building was destroyed sixteen years later when the great flood of 1889 ravaged Mineral Point as well as Johnstown. After the flood a new Church was soon built and it stood until October 1945, when it was ruined by fire. Once again a new building was constructed and it still stands in 2002, occupying the same lot on the north side of the river that was occupied by the two earlier buildings. It has been sometimes a Station, sometimes on a Circuit, being, at different times on Circuits with Seward, Oakland, and Wesley Chapel. It was a Station from 1955 until September 1968, when it became part of a Circuit with Summit Chapel. Several sons of this church have entered the Methodist ministry. The membership in 1968 was 144. The membership on January 1, 2003 was 86. Mineral Point Church closed in 2013.

UNITED BRETHREN – ALLEGHENY CONFERENCE

JOHNSTOWN DISTRICT

1841-1948

Location: Located in New Paris, Bedford County, PA.

History: United Brethren – Allegheny Conference. The exact date or place of the first meeting of the New Paris Church could not be ascertained, but records show that John Shrader united with the class in 1841, while other records think the Class was not organized until 1857. The former is likely correct since the Quarterly Conference was held here in 1856. The first Trustees were W. W. Cuppert, A. C. Richards, and George W. Blackburn, who secured the site in 1876. Under the pastorate of Reverend J. E. McClay (1874-1877), the new building was erected as a cost of \$2,000, and was dedicated by Bishop D. Edwards. It was a frame building. The membership in 1931 was 118. Under the pastorate of Reverend J. H. Lilley, (1924-1926) the church observed its fiftieth anniversary with Dr. J. S. Fulton in charge. It merged with New Paris Evangelical in 1948 to form the New Paris Evangelical United Brethren.

Location: Palestine Evangelical United Brethren Church, formerly of Rural Delivery, South Fork was located at the intersection of Cider Press and Blue Roads, Adams Township, South Fork, Pennsylvania.

Johnstown District

History: Evangelical – Pittsburgh Conference. Palestine was the outgrowth of a camp meeting and a bush meeting held on two sites near where the church used to stand. A congregation was organized and first services were held in the Palestine School across the road. The church was built in 1880, with land donated by Mr. and Mrs. William Hoffman. Joseph Jones was foreman for the construction of the simple framed house of worship. Lumber was sawed from logs donated by members and most of the labor was volunteered. Trustees when the church was erected were Jacob Shank, David Varner and Henry Keiper. The building was remodeled in 1902 and a vestibule was added. An undated news article states that Palestine Evangelical Church was the second Evangelical place of worship to be erected west of the Alleghenies. Homecomings were well attended. In 1951 there were 39 members, with a Sunday School enrollment of 54. At that time, the debt-free property was valued at \$3,500. However, by 1963, attendance declined, forcing closing.

History: United Brethren – Allegheny Conference. This Church began in 1909 when John F. Kelly, pastor of Lovett (now called Sidman), started a Sunday school. United Brethren and Roman Catholic services were held in the old school house, which had been acquired by the coal company, until 1930 when the church was built. In 1930 the Coal Company deeded the property to the United Brethren Class and thus it had its own property. The Class numbered 43 and the property was valued at \$2,500.00. It was then added to the Sidman Charge. It was a remodeling of the schoolhouse. Earlier the schoolhouse had been a boathouse along Lake Conemaugh, formed by the South Fork Dam. In 1970 it was linked with Sidman and the membership was 97. The membership on January 1, 2003 was 147.

History: Evangelical – Pittsburgh Conference. Early German settlers came from Bedford County to the Elton-Salix area, including Fyes, Krings, Pauls, Schnablys, Stulls, Millirons and Varners. Under Jacob Albright's preaching, they were converted to a deeper commitment to Jesus – "The Albright People". Preaching places in homes were the foundation for the Evangelical Association. In 1817 John Kring bought property near Salix and built a large room on his log house, especially for worship. Jacob Stull, another landowner, held camp meetings at his home. These faithful folks are listed as original members of the Evangelical Association. The first known Church was built about 1841, on land donated by the Stulls. The building still stands (in 2005) on Forest Hills Drive (Route 160) in Salix,

beside the Evangelical Church Cemetery. The second church was built in 1900. Another facility was built and dedicated May 25, 1958, with an educational wing added in 1985. In early days, circuit-riding preachers made rounds to bring the gospel to as many as six or seven churches on the charge. By the 1950's there were three: Salix: Bethel, Elton: Zion and Palestine. Palestine Church closed in 1963. Bethel built a new parsonage in 1973. In 1975 Bethel and Zion each became station churches. The membership in 1970 was 232 members. The membership on January 1, 2003 was 604.

METHODIST EPISCOPAL – PITTSBURGH CONFERENCE

1836

Mailing Address: PO Box 426, Seward, PA 15954-0426

814/446-6335

ID: 098608

Location: Located at 213 Indiana Street, in the Borough of Seward, on Route 56, nine miles northwest of Johnstown, Westmoreland County, PA.

History: Methodist Episcopal – Pittsburgh Conference. Seward Church came into being as a result of the work of the preachers on the Blairsville Circuit. Reverends James and Jeremiah Wakefield, William and Thomas Bracken, and John McNutt were among the early preachers who served the Church. From 1838 to 1840 the congregation worshipped in a house owned by John Barbar. The old Hebron Meetinghouse was built in 1840 on some of John Barber's land in Indiana County. This building was replaced in 1871 with another built on the same site. Then in 1881 they took the building apart and moved it by sections across the Conemaugh River to its site at what was then called "Ninevah Station." The name of the Church was changed to Seward in 1890. A remodeling program in 1910 added a basement, vestibule, and spire. The Church was enlarged by construction of an educational unit in 1954. The exterior tower was remodeled in 1960. The Church has been a part of different circuits and mostly on a two-point circuit with Armagh. The 1968 membership was 290. The membership on January 1, 2003 was 277.

Location: Located on the corner of Cambria Avenue and Twelfth Street, in the Borough of Windber, east of Johnstown in Somerset County, PA.

History: Methodist Episcopal – Pittsburgh Conference. This Church had its origin through the efforts of Reverend Thomas Frank Chilcote, Sr. in the beginnings of his ministry. In 1901 he went to Reverend W. P. Turner, Presiding Elder, of the Blairsville District and asked for supply work. Dr. Turner said to him, "If you are willing to pack your

Johnstown District

trunk and promise me that you will stay at least till next conference, I will send you to Windber and pay you \$200 for your five months service.” After thinking about it for a minute Frank said, “I will go.” He stayed in Windber, not for five months, but for two years and five months. During that time he organized the Methodist Society there and built the church. That is still in use.” (Quote from the Memoirs of Thomas Franklin Chilcote, Sr. in the 1963 Conference Journal). He preached his first sermon to a group of Methodists in the Swedish Lutheran Church on June 2, 1901. On June 17, 1901 the group secured the use of the Junior Mechanic Hall on Graham Avenue as a meeting place. They met there until the dedication of the Church on July 27, 1902. In 1909 the basement was renovated for Sunday School use. In 1910 the parsonage was purchased, and a pipe organ was placed in the Church with the help of the Andrew Carnegie Organ Fund. This Church has been a Station from the beginning. The membership in 1968 was 280. Windber: First and Graham Avenue Evangelical United Brethren merged and changed their name to Windber: Calvary United Methodist in 1970.

Kephart, September 11, 1899. A Methodist Society was organized in 1901 with meetings in the Swedish Lutheran Church, at the corner of Somerset Avenue and Tenth Street, later in the Junior Mechanic Hall on Graham Avenue near Ninth Street. A Methodist building was dedicated July 27, 1902. A fine eight-room house with all conveniences was built in 1909 and in the same year plans were made to erect a new church and well-equipped brick structure was completed in 1911, under the pastorate of Reverend L. W. Stahl. It was dedicated September 3, 1911 by Dr. W. R. Funk and cost \$7,000. The church had has a healthy growth and is fully organized for work of a local church.
