B. Directory of Churches

Key:

The Churches are listed alphabetically by church name followed by place name (except First).
Note most other lists use Place Name: Church Name.

The Charge Name is listed on the right followed by* asterisks which indicate how many churches are on the charge. To find the other churches (points) on the charge look up the charge appointment list in Chapter VI Appointments of the *Journal*.

The initials before the charge name indicate the District:

- BU: Butler
- CV: Connellsville
- EM: Erie-Meadville
- FR: Franklin
- GB: Greensburg
- IN: Indiana
- JT: Johnstown
- KA: Kane
- PB: Pittsburgh
- WA: Washington

The mailing address is the mailing address on record at the conference center and not the location of the building. The mailing address may not reflect the Church (Location) address, Parsonage address, or either building location.

LMAC was the Lay Member(s) elected to annual conference by the past charge conference while the Pastor is appointed to the charge for the future appointment year.
