VII Legislation
RS 101 RACIAL JUSTICE ACT
(Adopted 06-08-2012)

WHEREAS Ezekiel 33:11, says “As I live, says the Lord, I have no pleasure in the death of the wicked, but that the wicked turn from his ways and live.” This principle is illustrated in the judgment of Cain (Genesis 4:9-15), The Sermon on the Mount (Mathew 5:38-39), and the woman caught in adultery (John 8:3-11).

WHEREAS The Book of Discipline of The United Methodist Church 2008, ¶164 (g) specifies: "We believe the death penalty denies the power of Christ to redeem, restore and transform all human beings."

WHEREAS of Pennsylvania’s homicides, Blacks committed 53%, Whites committed 45%, and others committed 2%. As of March 1, 2012 there were 205 inmates on Pennsylvania’s Death Row. Of those 205 inmates, 137 were minorities. Of these 205 inmates, 116 (57%) were Black, 68(33%) were White, 19(9%) were Latinos and 2(0.09%) were Asians. Only Texas has a higher Black/White ratio. If Pennsylvania’s death sentences were race neutral, our Death Row would be 108(53%) Black, 92(45%) White, and 4(2%) Latinos and Asians. Blacks are presently 4% over-represented, Whites are 12% under-represented, and Latinos and Asians are 7% over-represented.

WHEREAS Reps. Ron Waters, Rob Matzie and over 20 other Representatives have introduced HB 2256, “The Racial Justice Act”. This Bill would authorize the Pennsylvania Courts to consider statistical sentencing patterns in Death Sentences. The operative language of the Bill is: www. legis. state. pa. us/ cfdocs/ billinfo/ billinfo. cfm? syear=2009 &sind=0 &body=H &type=B &BN=2256

(i) No person shall be sentenced to death or shall be executed under any judgment sought or obtained on the basis of race.

(ii) Finding.--A finding that race was the basis of the decision to seek or impose a death sentence may be established if the court finds race was a significant factor in decisions to seek or impose the sentence of death in the county, the prosecutorial district or this Commonwealth at the time the death sentence was sought or imposed.

(iii) Evidence.--Evidence relevant to establish a finding that race was a significant factor in the decision to seek or impose the sentence of death in this Commonwealth at the time the death sentence was sought or imposed may include statistical evidence or other evidence, including, but not limited to, sworn testimony of attorneys, prosecutors, law enforcement officers, jurors or other members of the criminal justice system or both.

THEREFORE BE IT RESOLVED that this Conference of the Pennsylvania United Methodist Church encourages the Pennsylvania General Assembly to pass HB 2256 of 2012, which will allow Pennsylvania Courts to consider evidence of racism when reviewing Death Sentences.

BE IT FURTHER RESOLVED that the clergy and laity of the Conference demonstrate their support for this resolution through letters and testimony, such as the letter that will be provided with this Resolution.

BE IT FURTHER RESOLVED that the author of this Resolution shall immediately deliver it to the Chair of the House Judiciary Committee in accordance with Conference Rule 2.3.8.1.3.

RS 102 JUVENILE JUSTICE
(Adopted 06-09-2012)

WHEREAS Psalm 17:2 provides, “Let the sentence come from God’s presence, let God’s eyes behold the things that are equal.” Proverbs 16:10 provides, “A divine sentence is in lips of the king, his mouth must not transgress in judgment” 1 Peter 2:23 provides, “Christ did not seek vengeance, but trusted all things to the God who sees into men’s hearts and judges justly.” Exodus 22:3 provides, “You shall not show partiality against a poor man in his dispute.”

WHEREAS In the United States, more than 2,500 individuals are serving life sentences without possibility of parole after being convicted of crimes committed while they were juveniles. 481 of these juveniles are in Pennsylvania, which is more than twice as many as the next highest state.

WHEREAS Senator Greenleaf’s 2008 hearing on this problem determined that over 59% of these juveniles had never held a weapon or confronted the victim. Many did not even know that the offense had taken place. He also determined that 87% of these juveniles were Black or Minorities. “Juveniles of color are more likely referred to juvenile court rather than to diversion programs, charged, waived to adult court, detained pre-trial and locked up at disposition.” This is called “Disproportionate Minority Contact” (DMC).

WHEREAS No other nation in the world sentences juveniles to life without possibility of parole.

WHEREAS The sentencing of juveniles to life without possibility of parole violates three international treaties, including the International Covenant on Civil and Political Rights, the Convention Against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment and the International Convention on the Elimination of All Forms of Racial Discrimination.

WHEREAS 26% of individuals sentenced to life without possibility of parole as juveniles were convicted under the Felony Homicide Rule which provides that every person associated with the triggerman within 24 hours is implicated in the offense, and “if you convict one you convict them all.” These were not the perpetrators of murder, and in some instances are serving life sentences while those who actually were the murderers have served their sentences and have been released.

WHEREAS Pennsylvania is one of thirteen states that can apply a life sentence with no age minimum; and

WHEREAS In Roper v. Simmons (2005) the United States Supreme Court banned the sentencing of juveniles to death as a cruel and unusual punishment. In Sullivan v Florida (2010), it banned the imposition of Life Without Parole on juveniles except for homicide.

WHEREAS Current neurological research indicates that the brain areas involved in decision making, delayed gratification and reasoning are not fully matured until an individual reaches at least 20 years of age.

WHEREAS Juveniles serving life sentences are at much greater risk for being victims of suicide, assault and rape while in prison.

WHEREAS Reps. Rob Matzie, Joe Preston and over 26 other Representatives, have introduced HB 1994 of 2012, the Juvenile Justice Act to address this issue. The Bill provides:
VII Legislation

(a) An individual who was less than eighteen years of age when he committed a crime for which he was sentenced to serve a minimum term of imprisonment of no less than ten years or who was sentenced to life imprisonment without parole eligibility may be re-sentenced by the sentencing court within three years after the date of sentencing.

(b) In determining whether to resentence an individual under this section, the sentencing court shall consider the following factors:

1. The individual's age and level of maturity at the time of the offense.
2. The individual's degree of participation in the offense.
3. The nature of the offense.
4. The severity of the offense.
5. The individual's prior juvenile or criminal history.
6. The likelihood of the individual to commit further offenses.
7. Other information considered relevant by the sentencing court.

WHEREAS the essence of the Juvenile Justice Act is to supersede the common law rule that “If you convict one you convict them all” in favor of a measure of individual culpability.

THEREFORE BE IT RESOLVED that this Conference of the Pennsylvania United Methodist Church encourages the Pennsylvania General Assembly to pass HB 1994 of 2012, which will allow Pennsylvania Courts to consider evidence of the individual culpability of juveniles when reviewing long term sentences.

BE IT FURTHER RESOLVED that the clergy and laity of the Conference demonstrate their support for this resolution through letters and testimony to the Pennsylvania General Assembly.

BE IT FURTHER RESOLVED that the author of this Resolution shall immediately deliver it to the Chair of the House Judiciary Committee in accordance with Conference Rule 2.3.8.1.3.

RS 103 BEER TAX  
(Adopted 06-09-2012)  
A Resolution Urging the Governor and the General Assembly to Increase Pennsylvania’s Beer Tax to Fund Alcohol Abuse Programs, and Assistance for Pennsylvania’s Most Vulnerable Citizens  
WHEREAS In response to the alcohol and other drug crisis, The United Methodist Church commits itself to a holistic approach, which emphasizes prevention, intervention, treatment, community organization, public advocacy, and abstinence. Out of love for God and our neighbors, the church must have a positive role by offering a renewed spiritual perspective on this crisis." (2008 Book of Resolutions, "Drug and Alcohol Concerns"; and,

WHEREAS the U.S. Substance Abuse and Mental Health Services Administration estimates that up to 5.6 million Pennsylvanians used alcohol in the past month, and up to 2.7 million Pennsylvanians engaged in binge drinking in the past month (binge drinking is consuming five or more alcoholic drinks in the same sitting); and,
WHEREAS numerous studies and reports have been issued on the workplace costs of alcoholism and alcohol abuse, and they estimate costs that range from $33 billion to $68 billion per year in the United States. (US Office of Personnel Management Guidelines on Worklife)

WHEREAS alcohol consumption often results in violence, automobile accidents and death, suicide, depression, lost work, homelessness and broken families, which all directly and indirectly increase the cost of taxpayer-financed services and facilities; and,

WHEREAS beer is the most popular alcoholic beverage in Pennsylvania, and over the past decade the Commonwealth is ranked among the top states in increased beer consumption; and,

WHEREAS the Pennsylvania’s tax on beer is the eighth lowest in the United States at eight cents a gallon, compared to a national average of 25 cents a gallon, a rate that has not been changed since 1947; and,

WHEREAS an increase in Pennsylvania’s beer tax will be an important factor in helping to reduce underage drinking in the Commonwealth; and

THEREFORE BE IT RESOLVED that The Western PA Conference of The United Methodist Church urges legislators to take the steps needed to bring Pennsylvania’s beer tax in line with other states around the United States; and

BE IT FURTHER RESOLVED, that revenue from the increase in the state beer tax be designated for alcohol treatment and rehabilitation, and to provide funding for programs assisting Pennsylvania’s most vulnerable citizens; and

BE IT FURTHER RESOLVED, that United Methodist Advocacy in Pennsylvania provide this resolution to the Governor and members of the General Assembly.

RS 105 WESTERN PA CONFERENCE OPPOSES PAYDAY LOANS
(Adopted 06-09-2012)

WHEREAS the Bible has spoken clearly about loaning money at interest (Exodus 22:25-28; Leviticus 25:35-37; Deuteronomy 23:19; Psalm 15:5) and

WHEREAS the Christian faith has historically opposed and deemed usurious loans at exorbitant rates of interest, especially to those who are poor; and

WHEREAS certain lending products exist in many states through this country that impose usurious rates of interest, commonly known as payday loans; and

WHEREAS payday loans are not currently offered in Pennsylvania because the Commonwealth by law limits interest to a maximum of about 24 percent annually; and

WHEREAS these so-called Payday Loan products are predatory in nature, designed to entrap households in debt through a combination of high fees and short repayment periods resulting in annual interest rates of 300 percent or higher and causing borrowers to be indebted for more than 200 days in a year i; and

WHEREAS under the proposed legislation, a typical Pennsylvania payday borrower will pay $42.50 in fees for a two-week loan of $300, resulting in an 369% APR (annual percentage rate)ii; and
VII Legislation

WHEREAS these lenders primarily serve people who are poor or in financial distress and, rather than offer an avenue out of financial distress or foundation for fiscal stewardship, simply perpetuate and increase their financial distress iii;

WHEREAS we recognize the sinful and fallen nature of human beings and the just role of government to protect people from predatory activity (Romans 13:3); and

WHEREAS seventeen states and the District of Columbia, including Pennsylvania, protect their borders from predatory lending by enforcing two-digit interest rate caps and federal law establishes a maximum rate of 36 percent APR for small loans to military personnel. iv

THEREFORE BE IT RESOLVED that the Western PA Conference of The United Methodist Church stands in opposition to this harmful legislation; and

BE IT FURTHER RESOLVED that the Annual Conference calls on legislators to reject House Bill 2191 or any similar legislation that would allow so-called Payday Lenders to operate within the Commonwealth of Pennsylvania. Such legislation does not further the public good. It is in the public’s best interest to maintain the current system of low two-digit caps on interest rates and other consumer protections for short-term loans within the Commonwealth.

BE IT FURTHER RESOLVED A copy of this resolution shall be delivered to every member of the Pennsylvania General Assembly by United Methodist Advocacy in Pennsylvania.

Footnotes:
i A study by the Center for Responsible Lending examined the transactions of the 11,000 borrowers in Oklahoma who took out their first loans in either March, June, or September of 2006 for the following 24 months. This report finds that typical payday borrower remains in payday loan debt for much of the year, and many borrowers remain indebted in payday loans for extended periods of time. While the Federal Deposit Insurance Corporation (FDIC) has ruled that it is inappropriate for payday borrowers to remain indebted for more than 90 days in any 12 month period, it found that borrowers are indebted for more than double this limit on average. For example, in their first year of payday loan use, borrowers are indebted an average of 212 days. See Uriah King and Leslie Parrish, “Payday Loans: Short on Credit, Long on Debt,” Center for Responsible Lending (Mar 31, 2011).

ii The cost of the loan is calculated as follows: For a $300 loan, with $12.50 per $100 as allowed under Section 5113 A, plus the $5 verification fee for the loan, the fees total $42.50. For a loan due in full ($300, plus the $42.50 in fees) this would result in a required disclosure of a 369% APR, as required by the Truth in Lending Act and HB 2191.

iii A number of academic studies of payday lending have identified its negative effects on households. 2007 and 2008 studies found that households with greater access to payday loans had increased difficulty paying bills and were more likely to overdraw their bank account, in some cases bringing about closure of their bank account. Brian T. Melzer (PhD Candidate, Economics, U. of Chicago Business School), The Real Costs of Credit Access: Evidence from the Payday Lending Market (Nov. 15, 2007); Dennis Campbell,

A study comparing Texas borrowers with loan applicants who were denied payday loans helps determine whether payday borrowing increases or decreases the likelihood of bankruptcy. Researchers found that those approved for a payday loan were 88 percent more likely to file for Chapter 13 bankruptcy within two years than the rest of the Texas population. They were also 14 percent more likely to file for Chapter 13 bankruptcy than their peers who had applied—and then been denied—a payday loan. While these households’ total debt when filing for bankruptcy is made up of more than just their payday loan obligations, about 11 percent of their total annual interest burden is for payday loan fees and therefore could have been a decisive factor in the decision to file for bankruptcy. Do Payday Loans Cause Bankruptcy?; Paige Marta Skiba (Vanderbilt) and Jeremy Tobacman (U. Pennsylvania) (October 10, 2008.)

iv Arizona, Arkansas, Connecticut, Georgia, Maine, Maryland, Massachusetts, Montana, New Hampshire, New Jersey, New York, North Carolina, Ohio, Oregon, Pennsylvania, Vermont, and West Virginia, as well as the District of Columbia prohibit the issuance of triple-digit interest rate payday loans, accounting for one-third of the U.S. population. In 2006, President George W. Bush signed into law protections against the abuses causes by payday, car title, and refund anticipation loans to active soldiers and their families. Among these provisions, known as the Talent-Nelson Amendment to the Military Lending Act, were a 36% rate cap and prohibiting the use of a check or car as collateral for the loan.

RS 201 CONFERENCE STRUCTURE
(Adopted 06-09-2012)
WHEREAS the Conference Connectional Network (CCN) was created when the 2007 Annual Conference adopted RS 804 as a “first phase recommendation for greater inclusion, connection, accountability, communication, and shared ministry,” with the expectation that “further phases related to conference structure, functionality of the structure, and accountability within the structure will be brought to the Annual Conference as the Ministry Plan continues to evolve.”
WHEREAS the 2008 Annual Conference adopted RS 802 to further clarify the role of the CCN as an “interim reporting structure” intended to provide “a thoughtful, thorough evaluation of our ministries.”
WHEREAS the conference staff has been recently realigned around the areas of nurture, outreach and witness so that staff are better equipped to fulfill our Mission “to provide Leadership, Connection, and Resources to make disciples of Jesus Christ for the transformation of the world.”
WHEREAS we believe that living into our Vision to “ignite and sustain a passionate spiritual connection with Christ among all people in Western Pennsylvania” requires both vision-casting (seeking a faithful future) and governance (ensuring effectiveness as we live into our shared vision). Such “forms of leadership” were included by the Apostle Paul among the spiritual gifts appointed by God within the Church (1 Corinthians 12:28),
and are modeled in the Hebrew Scriptures in the persons of Moses and Aaron, who functioned best as a leadership team when vision and governance were linked by intentional and frequent communication (Exodus 32:1-35 illustrates what happened when visioning and governance operated independently of one another!)

WHEREAS the CCN believes that its current structure limits its ability to provide both vision-casting and governance in dynamic and effective ways, and seeks a streamlined process for decision-making and implementation of shared mission and ministry.

WHEREAS our Core Value of Love calls us to strengthen relationships and communication between ministry groups, so that together we might care for all persons with integrity and accountability.

THEREFORE BE IT RESOLVED that the CCN membership be organized into a Connectional Leadership Team (CLT) of 16 persons whose task is to provide visionary leadership for the Annual Conference, and four additional Ministries Teams tasked to provide managerial leadership in the specific areas of Nurture, Outreach, Witness and Administration.

BE IT FURTHER RESOLVED that the CLT membership would consist of a Chairperson, 4 clergy at-large members, 4 lay at-large members, 1 chairperson from each of the 4 Ministry Teams, the Conference Lay Leader, the Dean of the Cabinet, the Directional Oversight Team Chairperson. The Director of Connectional Ministries, Director of Administrative Services, and Bishop would serve as ex-officio members. This team shall meet no less than 4 times per year to provide direction, focus and vision for the Annual Conference.

BE IT FURTHER RESOLVED that the membership of the four Ministry Teams would include a Chairperson, 2 clergy at-large members, 2 lay at-large members, and chairpersons from related ministry areas (including all committees and teams required by the 2008 Book of Discipline and the Annual Conference Rules), for a total of 13 – 15 members per Ministry Team. Conference Staff whose areas of responsibility directly relate to ministries of Nurture, Outreach, Witness and Administration would serve as ex-officio members of the correspondent Ministry Teams. These teams shall meet regularly for collaboration, decision-making, and implementation of ministry-specific vision and mission.

BE IT FURTHER RESOLVED that the new structure be in place by January 1, 2013, and that the current CCN be given authority to elect a transitional slate of leaders for a six month period from January 1, 2013 to July 1, 2013, upon which the 2013 Annual Conference may establish leadership through its nomination and election process.

BE IT FURTHER RESOLVED that the membership of each Team be selected and elected pursuant to conference rules, giving particular attention to inclusion and diversity.

If the legislation is adopted, the conference rules would be updated to read as follows:

3.2 Conference Connectional Leadership Team
3.2.1 Conference Connectional Leadership Team: The primary function of the Annual Conference, and the Conference Connectional Leadership Team and Ministry Teams, is equipping spiritual leaders to bring into reality the transformation of the world through Jesus Christ.

Sexual Harassment Policy for Professing Members and Clergy  
of the  
Western Pennsylvania Annual Conference of The United Methodist Church

Statement of Policy  
A clergyperson or professing member of the Western Pennsylvania Annual Conference of The United Methodist Church shall not engage in harassment, including but not limited to sexual and/or gender harassment of another professing member or clergy member of The United Methodist Church (¶¶ 605.8, 2703.1 and 2703.3).

Theological Foundation  
All persons are created in the image of God (Genesis 1:26). God intends all persons to have worth and dignity in their relationships (1 John 2:10-11). The Church is
one connected body, and when one part of the body is injured physically, emotionally or spiritually, the entire body suffers and is rendered less than what God intended (1 Corinthians 12:26).

Misconduct of a sexual nature of any kind violates a person's wholeness and is an unjust use of status and power and a sinful behavior against God and one another. The Scripture witnesses to a God who brings about justice, mercy and grace. The Church is called to express God's love in concrete actions of compassion and healing of all people.

Definitions
1. Sexual Harassment: Sexual harassment is a form of sexual misconduct and is defined in the Social Principles as "any unwanted sexual advance or demand, verbal or physical that is reasonably perceived by the recipient as demeaning, intimidating or coercive. Sexual harassment must be understood as an exploitation of a power relationship rather than as an exclusively sexual issue." (2008 Book of Discipline, ¶161.I). Behaviors considered sexual harassment can include "unwanted sexual jokes, repeated advances, touching, displays or comments that insult, degrade, or sexually exploit women, men, elders, children or youth" (2008 Book of Resolutions, page 135). Sexual harassing behaviors may be in person or by phone, e-mail, texting, and social networking sites.

2. Power: Clergy are generally considered to be in positions of power due to their professional role as spiritual leaders within a church. There are, however, situations in which professing members of a church have the power to create a hostile or abusive environment which undermines the ministry of the clergy person serving within the appointment to the local church. Factors include gender, race, age, wealth, education, and status within the community.

3. Sexual Abuse: Sexual abuse means unwanted physical contact of a sexual nature, sexual contact or sexualized behavior that may include, by example, displaying sexually suggestive visual materials, touch, fondling, or other physical contact and sexual relations.

4. Sexual Misconduct: Sexual misconduct is defined in The Book of Resolutions 2008, pp. 134-5. The 2008 Book of Discipline identifies sexual misconduct as a chargeable offence for clergy (¶2702.1) and for lay members (¶2702.3).

Reporting:
Clergy and other persons who have knowledge of a possible violation of this policy by a professing member should report the same to the chairperson of Staff/Pastor Parish Relations Committee and the District Superintendent. Upon receipt of any reported possible violation, the Staff/Pastor Parish Relations Committee with the guidance of the District Superintendent will investigate, consider any response, and take action to seek a just resolution. If the chairperson of the Staff/Pastor Parish Relations has been possibly involved in the violation of this policy the Vice-Chair or Secretary shall assume the chairperson's responsibilities. If the District Superintendent has been possibly involved in the violation of this policy the Bishop or another district superintendent appointed by the Bishop shall assume the District Superintendent's responsibilities.

If the clergy person in violation of this policy is the District Superintendent the allegations are to be reported to the Bishop.

Complaints against clergy should be reported to the Bishop, in accordance with ¶36 of the 2008 Book of Discipline.
Complaints against the bishop should be handled in accordance with ¶412 of the 2008 Book of Discipline.

Media Response:
Media response should be handled under the Conference Media Policy, with any questions directed to the District Superintendent.

Resolution:
The process for resolving any possible violations of this policy shall be the processes outlined in ¶¶ 221, 228, 361, 2702 of the 2008 Book of Discipline. This policy may be amended by a majority vote of the annual conference. Amendments may also be made to the appendixes to account for changes in best practices and the Discipline by a majority vote of the Conference Board of Ordained Ministry, the Conference Board of Laity, and the Conference Commission on the Status and Role of Women. All amendments shall be reported to the annual conference and published in the Conference Journal.

Appendix A: Suggested Process for When Ministerial Professionals Encounter Boundary Violations/Sexual Harassment by Congregants, Prepared by Kim Coffing, Assistant General Secretary, The General Commission on the Status and Role of Women.

Pastor perceives an advance has been made.
Pastor needs to establish professional pastoral boundaries:
- Identify your role as the pastor:
  - "I am your pastor..." "As your pastor..." "The United Methodist church takes this kind of conduct very seriously and considers this behavior as sexual harassment..."
- Identify that they are part of a community, not just "you and me" framing. "We are in relationship to a congregation, denomination, calling(s), roles, responsibilities..." Expand the awareness of your context by bringing in others you are both responsible for and in relationship.
- "I cannot be your pastor if..."

DOCUMENT--Written and verbal (SPRC Chair). Inform the DS. What? Where? When (include date, time)? Who? "Advance" behavior or verbiage? Witnesses? What happened after clarifying boundaries?

If inappropriate behavior continues:
- Re-establish Boundaries
  - “I will not meet with you privately.”
  - Explain that someone will be in the church if/when you meet and that confidence will be maintained.
  - Reiterate your identity/role to congregant.
DOCUMENT--written to SPRC and DS.

- If flirtation has happened (mutual attraction/enticement):
  - Name and confess your participation in the confusion of boundaries and your role as pastor. Name the mixed messages/signals to bring them to light.
  - Repent- Identify your role as pastor and being responsible for maintaining clear, healthy, professional relationships with all in the congregation and apologize by naming the confusion and harm your behavior has brought to your relationship with the congregant.
  - Reconcile--Identify what boundaries must be made and kept as well as what damaging or misleading behaviors must be stopped.

☐ Pastors--talk with a grounded confidant and make a behavior covenant with clear accountability structures built in. Example: regular and frequent meetings with confidant reflecting on issues related to wandering over healthy, professional boundaries.

If violations of boundaries persists:

- Call a Meeting for the purpose of clarifying communally the role and responsibility of the pastor and appropriate behavior of congregants.
  - DS--certainly informing them of your purpose; who will be attending; follow-up communication plan; meeting location; etc. Ask DS if it is appropriate (or wise) to have a conversation with the annual conference Chancellor for any recommendations, suggestions; simply being put "on notice."
  - Violator--Ask them to bring a friend or family member--someone they trust--for a conversation with others about issues related to serving as pastor. They are to bring someone who can be reflective with them. NOT a lawyer!!!
  - SPRC Chair
  - Seek resolution with CLEAR boundaries about how to behave appropriately and why the boundaries have to be maintained. Consider preparing a "Behavioral Covenant" identifying what you need as pastor and be prepared to name what behaviors need to stop by the violator. Write out the agreed "ways of being" and have everyone sign as witnesses and prayer partners.
  - If you sense it will help, plan a follow-up meeting for a "check-in" and if further clarification/information is needed--supportive accountability.
  - Follow-up with a letter to everyone involved as to the purpose of the meeting; those attending; if resolution was reached, note the specifics; thank everyone and seek continued prayer for everyone. (Copy DS).

If they refuse to sign a Behavior Covenant:

- Be clear that the violator is making a choice about their relationship to the church and is choosing not to be in contact, communication, on church property or attend any church programming until they agree and sign the behavior covenant.
- Have everyone in attendance note and sign that they witnessed a refusal to sign by the violator.
- Follow-up by sending a certified letter to the violator, specifying a procedure they can initiate for future participation in any church sponsored activities. (Who to contact, etc)
- Send copies of all documentation via certified mail to the DS (and possibly the Bishop's office). DO NOT ELECTRONICALLY SEND ANY DOCUMENTATION, DS
along with the pastor should certainly review the status of the situation with the Chancellor at this time.
• Consider meeting with those in leadership, stressing the need for confidentiality.
  o SPRC Chair and Committee
  o Trustees
  o Lay Leader
  o Staff
  o Custodian(s)
  Make it clear that professional, appropriate boundaries are taken very seriously in the UMC as well as the need for our congregants to be responsible for maintaining safe, healthy, respectful and honoring behavior to one another and those in professional leadership.

Have a “reporting/communication” plan in place IF the violator appears on church property, during church programs/services, or makes contact with church leaders.

**The District Superintendent is responsible for-**
• advocating for the well-being of everyone.
• advocating for a fair process.
• being careful not to fall into an adversarial approach which heightens defensiveness; raises suspicion and suspends trustworthiness regarding who and what will be honored in an inquiry process; and is perceived as suggesting those in power are "protecting" themselves rather than seeking to protect the well-being of all.

**Appendix B: Procedures for Reporting, Investigating, and Resolving Violations of This Policy by a Lay Person**

The clergy person or professing member who feels harassed by a lay person is encouraged to use the following procedures. If the offending behavior and complaint is sexual abuse or sexual misconduct then the immediate procedure is a formal complaint as outlined in the *Book of Discipline* ¶ 2703.4. Identifying sexual or gender harassment depends on a determination of what a reasonable person would perceive as unacceptable. It is important to resolve allegations and complaints confidentially and, if possible, informally.

**Initial Resolution Process**
1. Clergy are responsible for establishing and maintaining clear boundaries of professional conduct.
2. Therefore, a clergy person should respond immediately and clearly to the harasser that such behavior is unwelcome and uncomfortable.
3. If the behavior continues;
   a. Avoid being alone with the harasser
   b. Keep accurate records of the harassing behavior
   c. Contact the Chair of the Staff Parish Relations Committee (if the Chair of SPRC is the harasser then contact the District Superintendent directly).
   d. Notify the District Superintendent to begin the informal process for the resolution of a possible violation of this policy.
4. The District Superintendent will contact the Western Pennsylvania Conference Director of Connectional Ministries to bring to bear conference assets that are available for healing all parties and developing an intervention team.

Informal Resolution Process
1. The chair of the SPRC (or a person designated) and the intervention team will meet separately with the clergy person and with the accused. The purpose of the meeting is to:
   a. Determine if the allegation is valid.
   b. Ask the accused to make an appropriate written statement to the clergy persons. The written response may include explanation of the behavior resulting in a misperception of intent, an apology, and a promise not to repeat the behavior.
2. If the clergy person finds the response satisfactory then the allegation will be considered resolved and the District Superintendent will be notified of the result.
3. If the response of the accused is not satisfactory or the accused refuses to respond, then the allegation will move to the formal complaint process and the District Superintendent and Staff Parish Relations Committee will be notified that a formal process of complaint has been initiated. At any point during the informal process, the clergy person, the professing lay member, the accused or the SPRC committee may request in writing to the District Superintendent a formal resolution process.

Formal Resolution Process
1. If the District Superintendent determines that the process outlined above has been followed and the allegation is not resolved, then the District Superintendent follow the complaint procedures of ¶¶ 221, 228.
2. The final resolution of the process will be communicated in writing to the clergy person, the accused and the Staff Parish Committee.

Terry E. Lyon, Chair, Board of Pensions
WHEREAS ¶ 1506.8 of *The Book of Discipline of The United Methodist Church* 2008 requires each annual conference to develop, adopt, and implement a formal funding plan for retiring its pre-82 pension obligations;
WHEREAS this funding plan must result in the retirement of the respective annual conference’s pre-82 pension obligations on or before December 31, 2021;
WHEREAS this funding plan shall identify funds designated by the Annual Conference and protected for the exclusive purpose of retiring its pre-82 pension obligations;
WHEREAS the Western Pennsylvania Annual Conference (“WPAUMC”) Board of Pensions has submitted the following funding plan, which shows that, as of January 1, 2010 (the actuarial valuation date for determining 2012 contributions due), the WPAUMC’s pre-1982 obligations have been fully funded:

Western Pennsylvania Annual Conference Funding Plan for 2012  
For Supplement One Liability (Pre-1982 Pension Obligations)

The annuity rate for service rendered in the WPAUMC prior to January 1, 1982 (the “Past Service Rate” or “PSR”) is reviewed annually for adjustment by the WPAUMC. The 2012 PSR is $540, representing 1.00% of the WPAUMC Average Compensation (CAC). *The Book of Discipline of the United Methodist Church* 2008 requires (in ¶1506.7) that the PSR be not less than 0.8% of CAC and recommends that it be not less than 1% of CAC. The WPAUMC has, for the past twenty years, maintained the PSR at or above 1.0% of the CAC and expects to continue to do so. The General Board of Pensions and Health Benefits assumes, for plan minimum contribution purposes, that the PSR will increase 2% per year. The WPAUMC’s PSR can be expected to change in the future as changes may occur in the WPAUMC CAC, which over the last ten years has increased approximately 3.4% per year, and the WPAUMC therefore has assumed a 3.5% annual increase in the PSR for funding purposes.

As of January 1, 2010, assuming 2.0% annual PSR increases, the General Board of Pensions and Health Benefits’ actuarial valuation of the plan for the WPAUMC shows $42,599,857 more assets than benefit obligations. After adjusting this valuation to reflect assumed higher PSR increases for the WPAUMC in the range of 3.5% per year, assets in the plan continue to exceed benefit obligations at that date as shown in the table below. Based on this assumption of 3.5% PSR increases, an assumed 7% annual investment return, an assumed 7% discount rate, and the RP 2000 Mortality Table applied by the General Board, among other actuarial assumptions, the 2012 funding plan for the Supplement One (Pre-1982 Plan) Liability is summarized below.

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>WPAUMC Plan Liability Assuming 3.5% PSR increases</td>
<td>$ 77,188,508</td>
</tr>
<tr>
<td>WPAUMC Current Actuarial Plan Funding (Assets)</td>
<td>$ 118,311,514</td>
</tr>
<tr>
<td>WPAUMC Funding Surplus (53%)</td>
<td>$ 41,123,006</td>
</tr>
</tbody>
</table>
The Conference Board of Pensions periodically examines the funded status of the Pre-1982 Pension Obligations, considers expected future investment results and changes in these obligations, and evaluates the future availability of any funding surplus. For example, it considers variable or lower investment returns alternatively to the 7% assumed in the plan’s actuarial valuation, and it considers the likely increase in plan liabilities which would result from the assumed increases in the PSR. It then makes decisions about use of any funding surplus to cover other WPAUMC benefit obligations with due regard to protecting the sufficiency of Pre-1982 Plan assets to fund Pre-1982 Plan liabilities. The Conference Board in recent years has regularly recommended to Annual Conference that a portion of the Pre-1982 Plan funding surplus be used to relieve the WPAUMC and its local churches of funding annual CRSP defined benefit obligations, which are estimated to approximate $3 million, or 13% of pastor compensation (see RS 503). In addition, in 2011, the Conference Board approved the redirection of approximately $4.5 million of such surplus to another annual conference in return for cash which the Conference Board has set aside to partially fund WPAUMC’s obligations to pay for certain health insurance for its retired clergy. Although any surplus redirection increases the risk that future contributions to the Pre-1982 Plan could be required, the Conference Board estimates that the funding surplus of the Pre-1982 plan in excess of 120% of plan liabilities (a margin selected to provide some protection of the Pre-1982 plan from investment market volatility) will permit WPAUMC to fund its annual CRSP defined benefit contributions in this way for several years. However, this estimate is highly dependent on favorable investment returns and on current pastoral demographics, and churches should expect that annual contributions by them to CRSP will commence in the not-too-distant future, absent legislated changes in the denominational pension plans.

WHEREAS in the opinion of the General Board of Pensions and Health Benefits of The United Methodist Church, the funding plan described above meets the funding requirements of ¶ 1506.8 of The Book of Discipline of The United Methodist Church 2008; and

WHEREAS The WPAUMC Board of Pensions is in receipt of a written opinion from the General Board of Pensions and Health Benefits that this funding plan meets the funding requirements of ¶ 1506.8 of The Book of Discipline of the United Methodist Church 2008;

THEREFORE BE IT RESOLVED, that the Western PA Conference approve this funding plan for 2012.

Terry E. Lyon, Chair, Board of Pensions

OPINION OF THE GENERAL BOARD OF PENSIONS AND HEALTH BENEFITS

“In the opinion of The General Board of Pensions and Health Benefits of The United Methodist Church, the [foregoing] funding plan meets the funding requirements of ¶ 1506.8 of The Book of Discipline of the United Methodist Church 2008. This opinion applies only to the [foregoing] funding plan.”

By Jeanne Featherstone, Actuarial Services Department, April 20, 2012
VII Legislation

Note: In accordance with plan provisions, contributions due in any plan year are based on an actuarial valuation made as of the January 1 two years prior to such plan year. A preliminary General Board assessment of plan assets and liabilities updated to January 1, 2012 indicates that the WPAUMC’s pre-1982 component of the plan continues to have a funding surplus. The funding surplus at January 1, 2012 is approximately 39%, having decreased from a year earlier as a result of the redirection transactions described above, weak investment performance in 2011, and (on a pro form basis) the early introduction of more conservative mortality assumptions which the General Board is expected to adopt in the future.

RS 503 CLERGY RETIREMENT SECURITY PROGRAM
(Adopted 06-09-2012)

WHEREAS the denominational pension program known as the Clergy Retirement Security Program ("CRSP") is comprised of the component parts: The Pre-1982 Plan ("Pre-1982"), Ministerial Pensions Plan ("MPP"), Clergy Retirement Security Program Defined Benefit ("CRSP-DB"), and Clergy Retirement Security Program Defined Contribution ("CRSP-DC");
WHEREAS the death and disability benefit program is known as the Comprehensive Protection Plan ("CPP");
WHEREAS the plan for personal contributions is known as the United Methodist Personal Investment Plan ("UMPIP");
WHEREAS the GBOPHB has notified the WPAUMC that the CRSP-DB will require a contribution from the Western PA Conference in respect of plan year 2013 in the amount of $2,971,576;
WHEREAS the GBOPHB has confirmed that, as of the most recent actuarial valuation date, and has estimated that, as of January 1, 2012, the Western PA Conference’s Pre-1982 Past Service Funding Account plan assets exceed the Pre-82 plan liabilities by more than 20% (see RS 502);
WHEREAS the GBOPHB has advised the WPAUMC that such Pre-1982 overfunding is available to use to fund the CRSP-DB contribution due in respect of plan year 2013.
THEREFORE BE IT RESOLVED, that the CRSP-DC program be funded during the calendar year 2013 as each salary-paying unit shall remit monthly contributions on behalf of the participant directly to the WPAUMC Board of Pensions, or its agent, for credit to the account or on behalf of the participant;
BE IT FURTHER RESOLVED that the annuity rate (PSR) for 2013 for service rendered prior to 1982 (Pre-1982) shall be $552, representing 1.00% of the WPAUMC’s Conference Average Compensation ("CAC");
BE IT FURTHER RESOLVED that the WPAUMC’s CRSP-DB 2013 obligation be funded from the Pre-82 Past Service Funding Account held with the General Board of Pensions;

WHEREAS the General Conference of 2004 has mandated for The United Methodist Church a pension program known as the Clergy Retirement Security Program (CRSP), effective January 1, 2007;
WHEREAS the Western PA Conference (“WPAUMC”) Board of Pensions has agreed that the 2013 WPAUMC CRSP defined benefit contribution due of $2,971,576 shall be paid from the funding excess in the Pre-1982 Pension Plan, thus relieving the WPAUMC and its local churches, agencies and other salary-paying units of this expense for 2013;
WHEREAS the WPAUMC Board of Pensions has previously approved the establishment of a Benefit Reserve Fund, presently held at and invested by the General Board of Pensions & Health Benefits (“GBOPHB”), Evanston, IL, for the purpose of building a reserve for future CRSP defined benefit unfunded liabilities or other retiree benefit needs and has begun making contributions to build such Fund;
WHEREAS recent investment results in the various pension plans maintained through the GBOPHB along with GBOPHB sensitivity analyses of the effect of possible investment market volatility on WPAUMC pension contributions due have demonstrated the need for prudent accumulation of reserve funds to support, among other needs, increased plan contributions that may become required; and
WHEREAS the GBOPHB has called to our attention the future difficulty in funding pension liabilities due to the denomination’s aging clergy population and declining United States membership and encourages each annual conference to maximize funding now;
THEREFORE BE IT RESOLVED, that the 2013 contribution to the Benefit Reserve Fund shall be calculated at an amount equal to 2.0% of each active participant’s compensation package, charged to each such participant’s church, agency, WPAUMC responsibility or other applicable salary-paying unit, billed and collected by the WPAUMC Board of Pensions or its agent, and transferred in a timely manner to the Benefit Reserve Fund.

RS 605 DOORWAYS TO HOPE AT HOME
(Adopted 06-09-2012)
WHEREAS the Western PA Conference of The United Methodist Church has selected these five regional mission agencies,(Erie Alliance, Johnstown Human Services, WPA Prison Outreach Ministries, Connellsville Area Community Ministries, and Greater Pittsburgh Ministries) who extend the love of Christ to those who need shelter, food, clothing, and loving care within our conference boundaries, and
WHEREAS those in mission in the name of The United Methodist Church are doing ministry in partnership with we who are the church, and
WHEREAS the funds to support these ministries, do not meet the growing demands placed upon these groups as they faithfully serve those entrusted to their care,
THEREFORE BE IT RESOLVED that any Sunday during Advent 2013, or another date selected by the local church, be designated as the date to receive a special offering for
support of these five regional mission agencies, within the Conference boundaries, with additional funds to continue and expand their work. These additional gifts will help keep doors open, enabling us, as United Methodists in Western Pennsylvania to remain faithful in serving even the least of these, our brothers and sisters, “as Jesus teaches in Matthew 25:40”.

RS 608 VOLUNTEERS IN MISSION RECOGNITION AND AWARENESS DAY
(Adopted 06-09-2012)

WHEREAS (Background) The 1980 General Conference of The United Methodist Church (UMC) officially sanctioned the United Methodist Volunteers In Mission (UMVIM) and directed the General Board of Global Ministries to “affirm VIM as an authentic form of personal missionary involvement and devise appropriate structure to interpret and implement opportunities for volunteers in the global community” (2008 Discipline ¶1302.14; 1980 Discipline ¶1502.13). The 1988 General Conference suggested that “each annual conference name a VIM coordinator to work cooperatively with GBGM and the Jurisdictional UMVIM offices.” The 1996 General Conference created the Mission Volunteers office within GBGM to assist in the guidance and placement of volunteers; in short term mission assignments. (1996 Discipline ¶1312.5). The 2000 GC recognized UMVIM as a “one of the most dynamic mission outreach programs of the denomination today” (The Book of Resolutions of the United Methodist Church; 2000, page 165). The 2004 General Conference authorized the establishment of a Volunteer in Mission Awareness Sunday in the annual conferences. These actions clearly recognize the UMVIM program as a growing force in promoting the church in general, Christianity in particular, and personal Christian service; and

WHEREAS the UMVIM program is truly a grassroots movement in allowing all persons of faith, laity and clergy alike, the opportunity to have a "hands on" experience and involvement in mission endeavors; and

WHEREAS it is generally accepted that all persons cannot do everything but, that everyone can do something, the UMVIM program allows persons to offer physical support, prayer support, and/or financial support to the wide variety of programs that are designed to promote the many opportunities to utilize their many varied talents in direct service to the Kingdom of God; and

WHEREAS Scripture requires us all to be active participants in the faith, to wit, "... and you shall be my witnesses in Jerusalem and in all Judea and Samaria and to the end of the earth" (Acts I: 8b, RSV) and "What does it profit, my brethren, if a man says he has faith but has not works…..So faith by itself, if it has no works, is dead" (James 2:14, 17 RSV); and

WHEREAS there are opportunities to serve locally, nationally, or even internationally, and the "hands on" opportunity truly changes a missioner’s perspective towards persons or cultures with different economic, ethnic, or political backgrounds; and

WHEREAS the UMVIM program is one essential tool in helping to promote tolerance and understanding throughout all of God's Kingdom, a tool that helps to bring a measure of relief to those in unfortunate circumstances wherever they are, and a tool that can help Christians to fulfill the mandate of Jesus as expressed in Matthew 25:34-46.
THEREFORE BE IT RESOLVED that the Annual Conference Coordinator and the Northeast Jurisdiction Coordinator of Volunteers in Mission of the United Methodist Church request that the Western PA Conference recommend to all local churches in the Conference:

1. That a Sunday of March be set aside and declared Volunteers In Mission Awareness Day; and
2. That each local church with assistance of the conference UVMIM leadership, provide for UVMIM displays, information, resources, solicit individual or group testimonies and/or develop other ways to celebrate the UVMIM movement in whatever fashion that best suits the local congregation; and
3. That local churches draw upon the available resources of the Conference UVMIM Coordinator to help make the day memorable, one of faith in action.
4. That an offering be taken on the designated UVMIM Awareness Sunday to support the Conference and Jurisdictional UVMIM offices and programs, with 90% of funds collected going to the Conference VIMship Advance Special, and a tithe of 10% to the Jurisdictional UVMIM programming efforts.

RS 609 BREAD FOR THE WORLD SUNDAY OFFERING OF LETTERS
(Adopted 06-09-2012)

WHEREAS in Proverbs 31:8-9, it states, “Speak out for those who cannot speak, for the rights of all the destitute, Speak out, judge righteously, defend the rights of the poor and needy.”

WHEREAS The United Methodist Book of Discipline 2008, ¶163.E states:
As a church, we are called to support the poor and challenge the rich. To begin to alleviate poverty, we support such policies as adequate income maintenance, quality education, decent housing, job training, meaningful employment opportunities, adequate medical and hospital care, humanization and radical revisions of welfare programs, work for peace in conflict areas and efforts to protect creation’s integrity. …

WHEREAS in the 2008 Book of Resolutions Res. 4055 states:
“Therefore let it be resolved, that the United Methodist Church significantly enhance its efforts to End Hunger by increasing participation in the Bread for the World (BFW) Covenant Church Program. We further urge that the United Methodist Church achieve a minimum five percent increase in the number of churches in the BFW Covenant Church Program each year.”

WHEREAS the following hunger and poverty facts for the United States emphasize the need for a change in public policy to eliminate hunger in the United States:
* Thirteen percent of people in the U.S. live in poverty.
* More than fourteen percent are hungry or at risk of hunger.
* Nearly one in four children (twenty-five percent) live in households that struggle to put food on the table.
* More than fourteen million children (age eighteen and younger) live in poverty.
More than half of all Americans (fifty-one percent) will live in poverty at some point before the age of sixty-five.

In 2008, the poverty threshold for family of four (two adults, two children) was twenty-one thousand, eight hundred thirty-four dollars.

WHEREAS the following information emphasizes the need for a change in public policy to eliminate hunger in developing countries:

* Poverty and hunger in sub-Sahara Africa is very high.
* Poverty and hunger in Southeast Asia is very high.
* Seven hundred million people in the world, more than the entire population of the Western Hemisphere, do not get enough food for an active and healthy life.
* Each year fifteen million children under the age of five die – one-fourth of all the world’s deaths.

WHEREAS Bread for the World is an ecumenical Christian, non-partisan, grassroots organization that advocates alleviation of hunger in the U.S. and worldwide by having church members contact legislators by letter, telephone and e-mail. Bread for the World has experienced many successes in alleviating hunger as a result of churches having a Bread for the World Sunday/Offering of Letters are available from the Bread for the World website, www.bread.org.

THEREFORE BE IT RESOLVED that every local church in the WPA Conference be encouraged to have a Bread for the World Sunday/Offering of Letters. The Offering of Letters will focus on the current Bread for the World Campaign to alleviate hunger nationally and internationally.

BE IT FURTHER RESOLVED that each district superintendent ask pastors in his/her district to schedule a Bread for the World/Offering of Letters Sunday in their churches; to publicize these events through though timely district-wide notification and then to report back to his/her office the results.

RS 610 ENCOUNTER WITH CHRIST SUNDAY
(Adopted 06-09-2012)

WHEREAS the 2000 session of the Western PA Conference adopted legislation in support of the United Methodist program, Encounter with Christ in Latin America and the Caribbean, and
WHEREAS the legislation adopted set a goal of $100,000 to be raised from the Western PA Conference in support of the Encounter Permanent Fund, #025100, and
WHEREAS the greater part of the funds for the $100,000 goal has been raised in the intervening time by a combination of voluntary gifts and the support of a portion of the Conference Mission Share, such that it is realistic to hope that one concerted effort on the part of the churches of our Conference could attain the $100,000 goal (specifically, at the end of 2011, about $20,000 remains to be raised), and
WHEREAS the uses of the funds distributed by the Encounter Permanent Fund, which include pastoral training and evangelism, programs of health promotion, and ministries to
women, children, and youth, are entirely in keeping with the fundamental teachings of Scripture and the Social Principles of the United Methodist Church, and WHEREAS the Methodist Churches of Latin America have been demonstrating that they have used Encounter Funds for precisely those ministries described above, and WHEREAS the consistent statistics from Latin America and the Caribbean suggest that these are among the world’s fastest-growing Methodist churches, even though they often function in a context of poverty, disease, violence, and political instability, and WHEREAS it would be a spiritual and morale benefit to the member churches of the Western PA Conference to accomplish this mission goal, THEREFORE BE IT RESOLVED that the Western PA Conference strongly encourage all of its member churches to participate in a one-time offering on Sunday, May 5, 2013 with a stated goal to raise at least $25 per church, to be duly submitted to the Conference Treasurer’s office. Offerings in excess of the $25 goal are, of course, very welcome. BE IT FURTHER RESOLVED that when this offering shall be deemed to have completed the $100,000 Conference support goal for the Encounter program, the line item for Encounter with Christ shall be dropped from the Conference Budget. Because Encounter with Christ Permanent Fund #025100 is an initiative of the entire United Methodist Church, gifts, offerings, and bequests may continue to be made through our normal systems of finance and administration. BE IT FURTHER RESOLVED that, in anticipation of a successful completion of our Conference goal, a representative leader of the Encounter with Christ in Latin America and the Caribbean program be invited to the 2013 session of Annual Conference to celebrate the moment with us.

2013 BUDGET NARRATIVE

At the 2011 session of the Western PA Conference, we had a rare day on the Conference Floor. With the history of the budget debates in years past, and the chance to develop one apportionment budget instead of two, there was practically no discussion, and the budget was passed in an extremely short amount of time. I have not seen that happen in all the years I have been attending Annual Conference in Western Pennsylvania.

This year, we are once again looking to be aggressive in our opportunities to provide one budget that encompasses all of our proposed expenditures, and still includes the necessary coverage for potential shortfalls. The minimal debate last year serves as a testament to the hard work of the Budget Team and the Conference Connectional Network to approve and support a budget process that is easier to understand and interpret.

Last year, we worked hard at reducing the overall cost of ministry in the Annual Conference, but from the start made it known that the success of the combined ministry of the churches representing the Annual Conference would mean a budget increase for 2013. This year our hope is to be able to make it possible for the churches of Western Pennsylvania to afford to do ministry in local outreach, as well as ministry across the connection.

Once again, the budget process was a difficult one, as we looked for ways to help the committees and councils serving the churches of Western Pennsylvania to find a way of doing God’s will while still being good stewards and being financially responsible. With over $10 million in requests for ministry funding, we looked for ways to honor many of these vitally important ministries, while still being faithful to the local church.

It was during this process last year that we made the realization that we cannot continue to undercut vital ministry in the budget process, and that the budget for 2013 was going to require some increases in a few strategic areas. We think we’ve been able to do that this year, with an addition of approximately $200,000 over last year’s budget. We did not feel that it would be good stewardship to increase the budget more than what the local church can support. So with more than $10.5 Million in budget requests, we felt confident that keeping the budget as close to $9 million as possible was best for the Annual Conference.

This of course still means that many vital ministries will have little to work with for the next year. However, we have continued to ask the difficult question to each of those committee representatives to inquire how this work contributes to making disciples for the transformation of the world.

The budget process is never an easy one. But with the help of those who represent the local church in those committees that serve this Annual Conference, this process was well balanced and we believe as fair as possible. When you ask someone to dream big, and then have to put limits on those dreams, it is not an easy task to have to live with.

Our hope this year is that every church will be faithful in their contributions to the Connectional Apportionment so that ministry in the Annual Conference will be fully funded. We want to thank all those churches that paid 100% of their Apportionments. We also want to especially thank those churches that went above and beyond in paying more
than 100% of their Apportionments. There were still quite a few churches that did not meet the 100% mark, and a few others that did not pay any Apportionments at all. To those churches that almost made it, keep up the diligence, because there are a lot of people praying for your success and good work.

We do encourage the churches that have not paid anything towards the Apportionments to look at them not as something that can be ignored or that does not require our attention. It is as important to pay this obligation of Connectionalism as it is to pay the local church bills. Without everyone doing their part, the vital ministry provided by this budget and the lives it touches cannot happen. So to those churches that do not see the necessity of the ministry of the budget, please know that we are praying for your ministry, and for you to be able to contribute towards the ministry of the Annual Conference of which you are a great part.

In 2011 we paid our General Church Apportionments at the 100% mark. This was the first time we have been able to do this in 16 years. It is also our hope that we will be able to pay our General and Jurisdictional Apportionments at the 100% mark for 2012 and 2013. We cannot avoid this obligation that we have as an Annual conference, any more than the local church can avoid its obligations.

With this budget, our hope is that the lives its ministry touches will come to know the love of Jesus Christ our Lord through the ministry of the local church. By continuing our faithfulness to God’s work, the communities in which we live will become transformed places, where the love of God is clearly seen in everyone’s life. Together, we will conquer the obstacles that stand in the way of our combined ministry. We will share the Gospel of Jesus Christ with the world. And most importantly, more disciples of Jesus Christ will be made.
