

III. Rolls of Conference Members

B. Directory of Churches

Key:

The Churches are listed alphabetically by church name followed by place name (except First). Note most other lists use Place Name: Church Name.

The Charge Name is listed on the right followed by* asterisks which indicate how many churches are on the charge. To find the other churches (points) on the charge look up the charge appointment list in Chapter VI Appointments of the *Journal*.

The initials before the charge name indicate the District:
