

III. Rolls of Conference Members

B. Directory of Churches

Key:

The Churches are listed alphabetically by church name followed by place name (except First). Note most other lists use Place Name: Church Name.

The Charge Name is listed on the right followed by pts or pnt which indicate how many churches are on the charge. To find the other churches (preaching points) on the charge look up the charge in the appointment list in Chapter VI Appointments of the *Journal*.

The initials before the charge name indicate the District:

BU: Butler
 CV: Connellsville
 EM: Erie-Meadville
 FR: Franklin
 GB: Greensburg
 IN: Indiana
 JT: Johnstown
 KA: Kane
 PB: Pittsburgh
 WA: Washington

The mailing address is the mailing address on record at the conference center and not the location of the building. The mailing address may not reflect the Church (Location) address, Parsonage address, or either building location.

Directory Fields:
