WHEREAS, ¶1504.23 states, “If a local church or charge in the United States changes its relationship to the United Methodist Church through closure, abandonment, or release from the trust clause pursuant to ¶2548, ¶2549, or otherwise, notwithstanding whether property with title held by the local church is subject to the trust (under term of ¶2501), the local church shall contribute a withdrawal liability in an amount equal to its pro rata share of any aggregate unfunded pension obligations to the annual conference. The General Board of Pension and Health Benefits shall determine the aggregate funding obligations of the annual conference using market factors similar to a commercial annuity provider, from which the annual conference will determine the local church’s share. Nothing in the foregoing prevents an annual conference from collecting other obligations from a church or charge.”

**BIBLE STUDY** – During Bible Study, Bishop Moore-Koikoi related the first few chapters of the *Book of Hebrews* to our United Methodist Doctrinal Standards. She discussed both the Articles of Religion of the Methodist Church and the Confession of Faith of the Evangelical United Brethren Church. No changes can be made to our Doctrinal Standards or new standards established that are contrary by anybody or any body of the church. The Bishop showed how the *Book of Hebrews* lays this out by showing who Jesus is, our great High Priest.

**CALL TO ORDER** – Following Bible Study, at 9:00 AM, Bishop Cynthia Moore-Koikoi called the plenary session to order.

**CONSENT CALENDAR** – After the 10-hour window lapsed, two pieces of legislation were pulled, RS 201 and P 73. RS 201 was adopted Friday and P 73 was scheduled for discussion shortly. Shane Siciliano moved the Consent Calendar for concurrence without RS 201 and P 73 included. The Consent Calendar was **ADOPTED**.

**LEGISLATION – P 73 – For Disaffiliation Agreement Pursuant to ¶2553** – W. Stephen Morse, on behalf of Section 7, moved concurrence for P 73 (93-9-3, *Daily Journal* page 469). Bishop Cynthia Moore-Koikoi responded that P 73 is not properly before us, giving a Ruling of the Chair on this item as a Decision of Law:

*This petition takes away the authority given to the Board of Trustees under ¶2553 to determine if ¶2553 and conference policies have been complied with before the annual conference votes to approve or deny the request to disaffiliate.*

*Further, this petition takes away the authority of the Board of Trustees, cabinet, annual conference benefits officer, the director of connectional ministries, and the annual conference chancellor given to them by ¶2553. And (it limits their ability to perform) their duty as officers of the denomination to preserve the safeguard and protect the interests and rights of the annual conference; to maintain the resources related to the annual conference’s interests and those of The United Methodist Church. (The implication of ¶2553.4a is that the Board of Trustees is acting on behalf of GCFA to ensure that the provisions of ¶807.9 are protected in any Disaffiliation Agreement.)*

*The only right of a local church to disaffiliate is in ¶2553, and this is a limited right. ¶2548.2 does not provide a right to a local congregation to disaffiliate, and the deeding of property pursuant to ¶2548.2 relates only to property and not to the disaffiliation or separation of the church itself. In addition, ¶2548.2 does not address any issues of pension liability, (therefore it’s inclusion in this petition is inappropriate).*
