## *Living as a* **COVENANT COMMUNITY**

This study will examine major covenants throughout the Bible (from creation to Christ), and what they reveal about God's character and eternal love for us. Covenants do not stand alone, but instead build on each other. God continues to work through us to make God's will evident on earth as it is in heaven. Our covenant agreement with God can be summarized as learning to love God with all of our heart, all of our soul, all of our mind, and all of our strength. This retreat will enhance your understanding of how God works with us, in us, and through us.
