The group will kick-off the program with a weekend retreat. Guest speakers from different careers will be present and time will be set aside for prayer and discernment.

Online quarterly calls will be held with the participants to provide leadership tools and to hear from guest speakers who play different roles in ministry.

A spring outreach project will be held in the community. The date and location of this project will be determined at a later time.

Youth & students can apply to be part of the program starting in June at/after Annual Conference 2019.

The group will be limited to 15 youth and students to keep it as a small group. The cost to participate is $75.
